

Conditional Use Application for Amplified Outdoor Sound
Minocqua Brewing Company - Madison Taproom
2927 E. Washington Avenue, Madison, WI 53704

Minocqua Brewing Company respectfully requests approval of a Conditional Use Permit to allow amplified outdoor sound in our enclosed beer garden on Saturdays only during the 2026 football season (May through October).

This request is specifically to allow amplified audio for Saturday football games, including game broadcasts and related game-day programming. Amplified sound would be limited to 2:00 PM to 6:00 PM and will fully comply with the City of Madison Noise Ordinance. The beer garden will continue to close no later than 9:00 PM.

The beer garden is fully enclosed by adjacent building walls and an eight-foot fence, which helps contain sound within the space. In case of inclement weather, football viewing will move indoors and no outdoor amplification will occur.

Notice of this application was provided on November 10, 2025 to the District Alder and the relevant neighborhood and business associations. We remain committed to being good neighbors and maintaining open communication with the community.

Thank you for your consideration.
