

2024 Evjue Grant Funds for Art Programming at Parks Alive

About Parks Alive

Held in parks across Madison, Parks Alive events are a chance to visit your local park, listen to music, participate in fun, family-friendly activities, enjoy free food, and get to know your neighbors. Build connections with your community and connect with green spaces across the city at events throughout the summer. Parks included are: Elver, Allied, Darbo Worthington, Aldo Leopold, Meadowood, Hammersley, Warner, Penn, and Owl Creek.

Funding Proposal

1. \$20,000 to activate arts programming in nine Madison Parks through temporary public art, and dance & movement workshops that will pop up throughout the summer. Parks Alive is working with Madison Circus Space to coordinate several teaching artists. The calendar below shows the anticipated dates and events.
2. \$20,000 for resident and professional cultural performances during Parks Alive events – We are hiring the CODA Mobile to come to the last of the 4-series Parks Alive to bring their mobile stage, sound engineer, sound equipment, musicians. They will start with up to an hour-long drumming circle, then resident karaoke, then cap it off with CODA's world class musicians.
