I recommend that the ARLC grant Walgreens' application for its location at 606 S. Whitney Way. This location is only 200 feet from a full-service liquor retailer (Copps) which is a well-established, problem-free operator. Given the detailed training and operation program Walgreens proposes, I expect the same from them. I have heard not a single constituent concern about this Walgreens location.

Thank you for your consideration and for your service to our city.
