DRAFTER'S ANALYSIS: This ordinance is created in response to the trend in retail grocery and general merchandise stores of customers ordering their merchandise online and then picking the items up at the store. Customers pre-select the items they wish to purchase and the items are gathered and bagged by the retailer and delivered to the customer's vehicle. These transactions are commonly referred to as "Click and Collect". Retailers wanting to engage in this practice must file a Change of Premises application and appear before the Alcohol License Review Committee, which will make a recommendation to the Common Council, in order to expand their licensed premises to include a designated area outside the store in which a customer can park their vehicle for purposes of picking up their online order. State law requires licensing of any portion of a premise on which alcohol beverages will be sold, consumed, stored or delivered. This ordinance will provide regulations designed to prevent underage purchase of alcohol beverages either directly or through a straw party and to ensure that individuals who are intoxicated are not allowed to pick up a "Click and Collect" order.

The Common Council of the City of Madison do hereby ordain as follows:

1. New Subsection (4) entitled "Online Ordering and Curbside Pickup of Alcohol Beverages" of Section 38.07 entitled "General Restrictions" of the Madison General Ordinances is created to read as follows:

"(4) Online Ordering and Curbside Pickup of Alcohol Beverages.

- (a) No establishment shall allow online purchase of alcohol beverages and curbside delivery of such purchases ("Click and Collect"), without first obtaining a "Change of Premises" from the Madison Common Council, upon recommendation of the Alcohol License Review Committee (ALRC) to license that portion of the establishment's parking lot that will allow vehicles to park for purposes of picking up their online order.
1. The licensed establishment shall file a detailed operation plan with their "Change of Premises" form that clearly details how their "Click and Collect" operation will function. The operation plan shall include the licensee's protocol for assuring that underage persons and intoxicated persons do not pick up alcohol via the "Click and Collect" program.
 2. Failure of licensee to provide a detailed operation plan with their "Change of Premises" application shall result in the City of Madison Clerk's Office not forwarding the "Change of Premises" form to the ALRC for consideration.

Approved as to form:

- (b) No establishment holding an alcohol beverage license shall allow online purchase and pick-up of alcohol beverages unless the sale is consummated on the licensed premises.
 - 1. Payment for the purchase must be completed on premises and may not be completed until the purchaser is at the licensed premises and has presented valid photo identification that has been verified by a licensed operator employed by the premises.
 - 2. The licensed operator must verify that the person placing the "Click and Collect" order is the same person picking up the order.
 - 3. The sale and delivery of "Click and Collect" purchases shall be made only by a licensed operator.
