Hammersley Road

Street Use Permit Application

Event Schedule:

- Residents in the Hammersley-area have identified that in the summer months there is not enough for youth to do. There is not a community center that effectively serves the neighborhood and there are lots of children who live in the area. Residents have decided to hold events/activities in their neighborhood once/week as a way to begin to organize around their own needs. Currently plans are to hold youth activities for ages 5-17 once a week on Mondays, from 2:00-5:00pm starting the week of June 18 until August 27, 2012. Residents would like to block off a portion of Theresa Terrace (similar to a block party) and hold the activities right in the street where the kids already hang out. The activities will be staffed by Public Health Interns, a youth outreach worker, volunteers being recruited from the UW and area residents. In addition, we are hoping to receive an Emerging Neighborhood Funds grant to employ 5 local youth through Youth Services who will help run some of the programs. We would like to store the barricades for the street at a resident leader's house and will make sure that they are locked up and free from being damaged. Set-up for the activities will begin at 1pm each Monday and take-down will be completed by 6pm.

Notification Schedule:

- Resident organizers will post No Parking flyers at each household on Theresa Terrace 48 hours ahead of the weekly event (Saturday mornings). The resident workgroup determined posting signs along the street would not work in this neighborhood due to the high likelihood that youth will pull up the signs between Saturday and Monday.

Recycling Plan:

- We will have recycling and trash bins on either end of the street to accommodate trash and recycle. We will also have a trash pick-up after the youth activities are done for the day.

Safety and Security Plan:

- We are being proactive and have included the Neighborhood Police Officer Bradley Ware in on the planning of the events. We will have a primary point of contact assigned each Monday in case activities on the street are becoming unsafe. We will have a strong adult presence on the street. The idea for the programming came from the neighborhood and is widely supported. Additionally, the event is being marketed in the neighborhood as youth focused and is planned for afternoon hours. In case of an emergency we will call 911, and in cases of non-emergency we do have the Neighborhood Officers phone number, as well as the non emergency police number.

Marketing of Event:

- This event is for a specific target area. The streets we will do door knocking (with a flyer) and outreach to are;
 - Theresa Terrace
 - Hammersley Road
 - Betty's Lane
 - Jacobs Way
 - Lucy Lane
 - Frisch Road
 - Loreen Drive
 - Prairie Road
- There will not be any media coverage
- We anticipate 50-75 youth will attend the weekly programming.
