Although I know Greenbush Bar, on the North side of Regent Street, falls just outside of your district, I wanted to reach out to see if you would be willing to support my new liquor license application there? I already have spoken with and garnered the support of Captain Freedman at the Midtown District. As I laid out to Captain Freedman, it's our plan to operate 4 to 5 nights a week from 4 PM to midnight. We plan to put an elevated cocktail program in, staffed by veteran employees, similar to what we offer at Leopold's and Fabiola's, along with a small wine list. Food would be available till midnight.

Let me know if you have any further questions. I can be reached anytime at this email or by phone.

Sincerely

Sam Brown
