## SITE MAP

A site map is required for all Park Event permit requests that will have setup outside of a Park shelter. The information you should include on your site map depends on the details of the event request (location, setup, etc.)

**Please submit your site map as a separate attachment.**

### Site Map Requirements

- Identify requested Park
- Event perimeter
  - Indication if putting up fencing
  - Indication of each entry and exit point
- Temporary Structures (stages, tents, portable toilets, inflatables, etc.)
  - **must include dimensions of each structure**
- ADA accessible pathways within the event perimeter
- Signage, banner placement
- Vendor area(s)
- Beer/wine tent(s), garden(s), etc.
- Garbage/recycling receptacles and / or dumpster placement
- Route map(s) – if applicable
  - Indication of any bike path usage along the route
  - Water station or portable toilet locations along the route

### PUBLIC IMPACT

**What impact do you anticipate your event will have on the residents/businesses in the areas surrounding the park? Consider things such as noise, parking, traffic, etc. What plans do you have to minimize these impacts? Have you communicated with any residents/businesses that may be impacted by the event?**

This event will have a reduced attendance for year one, so we would expect disruption to be minimal. We will place officers at entry to boat ramp parking and bier garden parking lot. The users of those facilities may see minimal disruption from passers by trying to get a look at the balloons. We will run a shuttle from East Towne Mall to ensure no parking on site.

Draft Layout (REVISED)

-  Food Vendors
-  Retail Vendors
-  Kids Zone (Bounce Houses etc.)
-  Toilets
-  Event Fencing
-  Hot Air Balloons
-  Traffic Deputies

## ACCESSIBILITY PLAN

Events permitted in the City of Madison are required to have an accessibility plan. The scope and details of the accessibility plan depend on the scope and details of the event. The accessibility plan could include the following:

- Accessible parking spots which include temporary access aisles where needed (indicated on event site map).
- Accessible path of travel from parking or drop-off areas, as well as throughout event to any area accessible to the public.
  - o An accessible path of travel connects all elements and is at least 36" wide.
- Accessible communication plan (may need to include opportunity for request of interpreters, multiple ways to access festival information)
  - o For some events interpreters must be booked but can be cancelled if organizers do not receive RSVPs from the deaf community 72 hours prior to the event.
  - o At a minimum, schedules should be in print and accessible to screen readers electronically.
- Accessibility features included in advertising materials (websites and fliers) at least 2 weeks in advance of event.
 

Possible information to include:

  - o Accessible parking locations
  - o Accessible seating locations
  - o Accessible restrooms
  - o Available interpretation services
  - o Available quiet areas
- Cluster portable toilets in groups of no more than 6 and ensure at least one accessible portable toilet per cluster of portable toilets.
- Provide an ADA seating area to ensure access for people who need it.
- Maintain accessible path to, and within, all temporary structures.
- Contacting parking enforcement regarding vehicles illegally parked in temporary accessible stalls.

**Describe your event’s accessibility plan. Include any accessibility setup in your site map.**

## PARK EVENT CLEANUP AND RECYCLING PLAN

Events are required to submit a clean-up and recycling plan with their application. Plans should include number and location(s) for garbage/recycling containers and dumpsters, collection during event, disposal after the event and any other relevant information.

Park Events can request additional Madison Parks trash barrels. Please email [madisonevents@cityofmadison.com](mailto:madisonevents@cityofmadison.com) to find out how many receptacles are already in the Park so you can determine if you need to request more.

City of Madison has 4, 20-yard dumpsters available for events. We cannot guarantee availability. Please confirm with [madisonevents@cityofmadison.com](mailto:madisonevents@cityofmadison.com) if the number you are requesting are available or if the Park already has a dumpster you can use.

Will you be renting City of Madison receptacles?  Yes  No

Name of Event: Madison Balloon Glow

Location (where should they be delivered in the Park?): Olbrich Park Central Field

Please indicate quantity of trash barrels: 40 8 barrel minimum: Each increment of up to 8 barrels \$150 (\$142.18 no tax)  
Please indicate quantity of recycling barrels: 40

Please indicate quantity of dumpsters: 2 per dumpster, and per tip: \$375 (\$355.45 no tax)

If you are not requesting City equipment, please provide the name and contact information of the collection agency providing equipment or services for the event. NA

Any group that leaves an area in a condition that requires special clean-up by City crews will be charged the full cost of clean-up.

If you need assistance with your clean-up and recycling plan, please contact the [City of Madison's Recycling Office](#), via [email](#) or at (608) 267-2626.

Provide detailed trash/recycling/clean-up information (please submit as a separate document if needed):  
We will place trash bags in dumpster at end of each evening. Event Management will walk park at first light daily to ensure park clear for day time users. Food vendors to take own trash bags.  
We hope that by having large number of trash barrells, it will ensure most barrells are only partially full each night to give venue a better look and feel.

# EMERGENCY ACTION PLAN (EAP)

## I. GENERAL

The “ Madison Balloon Glow ” will be held May 31 - June 2 at Olbrich Park .

## II. PURPOSE

- A. This emergency action plan predetermines actions to take before and during the “ Madison Balloon Glow Event ” (hereinafter referred to as the event) in response to an emergency or otherwise hazardous condition. These actions will be taken by organizers, management, personnel, and attendees. These actions represent those required prior to the event in preparation for and those required during an emergency.
- B. Flexibility must be exercised when implementing this plan because of the wide variety of potential hazards that exist for this event. These hazards include, but are not limited to, Fire, Medical Emergencies, Severe Weather, or situations where Law Enforcement is required.

## III. ASSUMPTIONS

The possibility of an occurrence of an emergency is present at this event. The types of emergencies possible are various and could require the response of Fire & Rescue, Emergency Medical Services, and Police.

## IV. BASIC PLAN

### A. Emergency Action Plan (EAP) Event Representative

1. The EAP event representative will be identified as the point of contact for all communications regarding the event. This person is identified as Sara Black

### B. Emergency Notification

1. In the event of an emergency, notification of the emergency will be through the use of 911. The caller should have the following information available to the 911 operator: nature of emergency, location, and contact person with callback number.
2. We  will /  will not have on-site EMS Sara Black 3527691537
3. We  will /  will not have on-site Police or Security Sara Black 3527691537

### C. Severe Weather

1. Weather forecasts and current conditions can be monitored through the [National Weather Service's Madison Weather Forecast website](#).
2. Before the event - If severe weather is predicted prior to the event, the EAP event representative will evaluate the conditions and determine if the event will remain scheduled. The EAP event representative or his/her designee will be identified as such Sara Black and will be responsible to monitor the weather conditions before and during the event.
3. During the event - If severe weather occurs during the event, the EAP event representative or his/her designee Sara Black will make notification to those attending the event that a hazardous weather condition exists and direct them to shelter.
4. There are very limited provisions for sheltering participants in the event of severe weather.
5. This event will follow the 30-30 Rule for lightning. If lightning is observed and thunder is heard within 30 seconds, the event will be delayed until 30 minutes have passed since thunder was last heard.

### CI. Fire

1. If a specific hazard has been identified as an increased risk of fire at this event, event manager will work with the Fire Department to determine how to address the hazard.
2. All event staff will be instructed on the safe use of Portable Fire Extinguishers.
3. If cooking is intended, you must contact the fire department and -
  - a) Must have a valid fire extinguisher, 2A10BC

- b) Each space is allowed 1 LP tank per cooking device. All LP tanks are to be secured in an approved manner (tied, strapped, chained, etc.)
- c) No cooking shall be allowed under a tent. Cooking shall be a minimum of 20' away from tents/canopies.
- d) Cooking must be on a non-combustible surface (grease collection material generally required under cooking and food service areas)
- 4. Fire Inspectors may be required to do an inspection of your event (depends on size and nature of the event), contact the Fire Department for guidelines
- 5. All tents/canopies used for cooking shall have a FLAME SPREAD Certification attached to the tent.
- 6. Should an incident occur that requires the Fire Department, 911 will be utilized to request this resource. The caller should have the following information available to the 911 operator: nature of emergency, location, and contact person with callback number.

**E. Medical Emergencies**

- 1. As with any outdoor event, there is potential for injury to the participants. The types of injuries are various and include those that are heat related as well as traumatic injuries.
- 2. Event manager shall contact the Fire Department to determine if there is a need for on-site Emergency Medical Services at this event.
- 3. Should an incident occur that requires Emergency Medical Services to be called to this event, the caller will have the following information available to give to the 911 Center:
  - a) nature of emergency
  - b) precise location
  - c) contact person with callback number

**F. Law Enforcement**

- 1. The need for constant Law Enforcement presence at this event  has /  has not been identified. Event manager shall contact the Police Department to determine if there is a need for Law Enforcement presence at this event
- 2. Should an incident occur that requires Law Enforcement, to be called to this event, the caller will have the following information available to give to the 911 Center:
  - a) nature of emergency
  - b) precise location
  - c) contact person with callback number

**G. Emergency Vehicle Access**

- 1. Access for Emergency Vehicles will be maintained at all times.
- 2. 20' Fire Lanes are required to be kept open at events.
- 3. A 14' minimum height clearance requirement for anything that goes over a street or fire lane
- 4. Participants and spectators will be directed to park in approved areas and not to obstruct protective features, sidewalks or public thoroughways.
- 5. Crowd control will be managed by: Alex Rowland
- 6. Parking for vendor and staff vehicles will be: Olbrich Park satellite lot
- 7. Parking for attendee vehicles will be: East Towne Mall and / or downtown for shuttle
