Verveer reported that the Silvermine manager had complained about trash that he associated with the presence of Late Night Food Vendors on Broom Street. Hansen said that, with many new opportunities currently opening up outside the downtown and with the 2015 results of the redesign of the 700 and 800 blocks of State Street, which would include a more inviting space with better lighting, all of the current focus on Broom Street might subside.

6      **ANNOUNCEMENTS**

Roberts referred to the petition written by the Natural Juice food cart operator complaining about the extended food cart review format. None of those present completely understood what the problem was. Lee said that the change had been made public some time before and that vendors should have paid more attention. He thought that some vendors might think that two weeks could mean that they'd somehow have to serve more food, which was not the case in Hansen's point of view. Richards wanted Hansen to consider participating in some kind of response to the vendors who had signed the petition.

7      **ADJOURNMENT**

Magnino moved and Verveer seconded that the meeting be adjourned. The motion passed. Richards adjourned the meeting at 5:53 p.m.

The next meeting of the VOC is scheduled for Wednesday, September 25, 2013 at 5 p.m., Madison Municipal Building, Room 300.
