OFFICE OF THE CITY ATTORNEY  
ROOM 401 - CITY-COUNTY BUILDING  
266-4511**

To: Transportation Commission

From: Assistant City Attorney Eric Finch

RE: Resolution #83518 – Requesting information, studies, and plans regarding the authorization of a local sales tax

Date: June 10, 2024

---

**PURPOSE**

The purpose of this memo is to provide brief background information requested in the above resolution, including:

- A review financing of Regional Transit Entities around the country
  - particularly those funded with a sales tax
- Comment on support in communities adjacent to Madison for a regional sales tax
- Comment on support for a City-to-RTA shift among local Transit Labor Organizations

At the bottom is an index of the RTA authority that was removed from state law in 2011.

**BACKGROUND**

The City of Madison is facing a facing significant shortfall. With regard to transportation and transit specifically, where the City has received millions in federal grants, it is important to understand the difference between the operating budget and capital expenditures. Federal money for capital projects will not fix shortfalls in the operating budget.

Federal, State, and local dollars are all at play in the City of Madison's transportation spending. Annual funding amounts per system are equalized via formula statewide, combining grants from the State Urban Mass Transit Operating Assistance Program as well as Federal Formula programs for Rural and Urban Areas. Approximately one-half of total annual operating expenses for Wisconsin transit systems are reimbursed through state and federal grants. However, Madison has received a lower percentage of State aid than other significant transit systems in Wisconsin. Madison is currently an outlier in how low our state aid share is, and how high our local share is.

The City has explored, through our finance department and attorneys office, routes for increasing transportation funding. In short, there is no single viable option that has been

identified for increasing revenues without requiring a change in state law or a referendum. For example, arrangements to shift transit operations to the county would not result in new taxing authority for property or sales taxes.

Understanding the situation with regard to transportation and with an eye toward revenue generation, the following two City resources provide a primer on the issues:

The first is Part 4 of the Budget outlook series, focused on revenue strategies:

The second is the most recent update given to Finance Committee on June 10, 2024:

### **OVERVIEW OF RTA FUNDING NATIONALLY**

RTA Funding Varies greatly, with systems across the country funding by the following different revenues: State Taxes (Sales, Property, and Income); Vehicle Registration Fees (State or Local); Employer/Payroll Taxes (ex. Portland, OR and Transit Authority of River City, KY); Concessions (See State of Pennsylvania program); Local Sales Taxes; Lottery/Casino Revenues; Vehicle Sales, Lease, and Rental Fees; Tollway fees; Cigarette Taxes; Parking Fees and Fines; Property Taxes; Fares; Revenue-Generating Operations (Providing charter services, leasing city/RTA property); Advertisement; Realty Transfer/mortgage recording fees; Hotel/Motel Taxes; Utility Fees; Public/Private Partnerships; Tax-increment Financing Districts (TIF); and, Transportation Development Districts (TDDs).

In Wisconsin, RTAs have generally been stripped of taxing authority by 2011 Act 32. Currently, the only alternatives to the City of Madison running transit operations would be a switch to County administration or the creation of an intergovernmental body of local governments. Neither change would result in additional availability of revenue under current state law.

### **OVERVIEW OF COMMUNITY AND LABOR ORGANIZATION SUPPORT**

At this stage, without details about what sort of boundaries and type of revenues would be involved, it is not possible to accurately gauge public support for an RTA or sales taxes in surrounding communities. Additional sales tax or the creation of an RTA would first require a change in state law.

As of May 24, 2024, Local 695 has merged into Local 120. City staff reached out to Local 120 through longtime Local 695 personnel that are now continuing their work with Local 120 for a comment on switching to an RTA. They are currently discussing internally.
