To whom it may concern ..

I have known Eli Reichenberger for over a year. He has helped me considerably with maintaining the 45 acres of property that I currently own in Dane County. He has always been very punctual with his time and respectful for the duties at hand.

I myself owned and operated a company for over 30 years here in Madison. I recognize a valuable worker when I see one.

Thank you for any consideration that you might give Mr. Reichenberger.

Sincerely,
