

Fact and Details Sheet

Proposed Project -- Packers Avenue Sidewalk at Lakeland College

Assessment District - 2014

Project Details – Proposed Work

Sidewalk: Install “missing link” of sidewalk on the east side of Packers Avenue from the south end of the existing sidewalk at Schlimgen Avenue, to the existing sidewalk that was constructed in conjunction with Lakeland College construction in 2012. Sidewalk will be 6’ wide. Install retaining wall as needed to complete the sidewalk. This work was originally intended to be completed during the development of Lakeland College but will now be completed as an assessable Public Works Project.

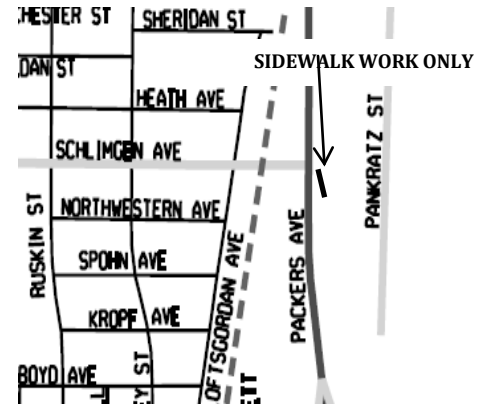

Trees: One tree on private property will be removed as part of the project. Affected trees in the terrace area were previously relocated by City Forestry staff.

Construction Schedule & Impacts

Tentative Schedule: May/June 2014

Traffic Impacts: None. There is currently no pedestrian access in this area and Packers Avenue itself will not be impacted.
