

December 26, 2020

To: Julie Cleveland, City of Madison and Lydia Greenfield, Excel Engineering
From: Lake Edge Neighborhood Association
RE: Monona Drive Demolition Request

The Lake Edge Neighborhood Association reviewed the demolition request for 4624 Monona Drive, and the subsequent plans for a rebuild. We discussed this application at our December 21, 2020 neighborhood meeting.

The plans and proposal were reviewed and discussed, by the association, and subsequently voted on. There were no objections to their proposal for the demolition and rebuild, as presented in their application. On behalf of the Lake Edge Neighborhood Association (LENA), please consider this letter in support of their request.

If you should have any questions, please contact us.

Sincerely,

Mel Freitag
President
Lake Edge Neighborhood Association
