Subject: TLNA supports Sherman Ave and Marston Street bridge projects

To Whom it May Concern:

The Tenney-Lapham Neighborhood Association (TLNA) Council appreciated Tom Maglio's presentation at our Jan. 9, 2014, monthly meeting, regarding the proposed Sherman Avenue and Marston Street bridge restoration projects. We voted unanimously to support the efforts with the understanding that the city Parks Department will work closely with and cooperate with the city Landmarks Commission to ensure that proper restoration techniques are followed.

Sincerely,

Joe Lusson, president
Tenney-Lapham Neighborhood Association
