

FEE MODIFICATION FORM

1. Organization/ Individual: MADISON NORDIC SKI CLUB (MadNorSki)

2. Park(s): Elver Park, 1250 McKenna Blvd., Madison, WI 53719

3. Overview of Organization

From 2016 - 2018, the City and Madison Nordic Ski Club, Inc. (MadNorSki) entered into a Use Agreement (the "MadNorSki Agreement") allowing MadNorSki to use the City's Snow Equipment to make snow at Elver Park and for the Winter Festival, and to groom the human-made and existing cross-country ski trails at Elver Park and other approved locations. MadNorSki exercised the option for one three year extension in 2019. In 2020, MadNorSki and Central Cross Country Skiing (CXC) requested that CXC take over the MadNorSki Agreement, which change the City's Parks Division was agreeable to and found to be in the City's best interest. MadNorSki is one of CXC's member groups and consists of City and area residents who will continue to volunteer their time to make and groom snow and financially support these efforts at Elver Park through their affiliation with CXC. MadNorSki also provides ski classes and lessons, cross-country skiing races, supports high school and junior skiers, and in the past has raised funds for projects that benefit the Parks Divsion (including for the City to purchase Snow Equipment).

MadNorSki seeks to renew a Fee Modification that outlines the terms under which MadNorSki may continue to provide lessons and classes at Elver Park. MadNorSki has a long-term commitment to volunteering to make and groom snow and support these efforts at Elver, which provides a greater level of service than the Parks Division is able to provide. MadNorSki and the Parks Division are supportive of MadNorSki offering lessons and classes at Elver Park under the following terms and conditions:

4. Term of Fee Modification (May only be for a period of up to three years)

Three Years, once approved by the Facilities, Programs & Fees Subcommittee and upon signing shall be retroactively effective from November 1, 2022 and terminating on April 30, 2025.

5. Summary of Requested Use of Park Land

MadNorSki may use land at Elver Park to provide ski classes, lessons, and races. All use of crosscountry ski trails must be conducted in a manner that will keep the park and trails open to the public. This may include dry ski practice prior to the snow season. MadNorSki may charge fees of participants. The understanding is that the majority of the activities are for youth. A scholarship program must be in place to assist those without funds available who wish to participate.

<u>Shelter and Bathroom Access</u>. MadNorSki may use the City's shelters and bathrooms during established public hours. It is MadNorSki's responsibility to know these hours, which may be impacted by the ongoing COVID19 pandemic or City staffing levels. MadNorSki may place a privately maintained portable toilet in Elver Park for bathroom needs. Location of the portable toilet shall be approved by the Parks Division prior to placement.

6. Reason for Considering to Authorize a Fee Modification (check box that applies)

- ☑ Legacy user group that predates establishment of a new fee and have mitigating circumstances that need to be addressed with a fee modification.
- □ A pilot concept for a use that would have minimal impact, only occur at one park location and does not have an established fee in the Park Division fee schedule.

□ Uses that align with the citywide goal of Racial Equity and Social Justice.

☑ Other: <u>User provides volunteer and financial resources to support winter recreation at Elver</u>

Park, as well as other cross country ski locations within the City.

7. Fee Modification Proposed (Include Use, Permit and all other fees)

No use fees will be charged for classes, lessons, and races due to the investment from MadNorSki to groom and maintain cross country ski trails. Examples of investment includes volunteer hours and funds provided to CXC to assist with grooming snow. MadNorSki reported that in 2021-22, club members contributed 277 volunteer hours for grooming of cross country ski and snow shoe trails as well as trail maintenance work, in addition to \$450 for repair of the Madnorski snowmobile used for grooming trails. The club provided 606 volunteer hours to directly support the club's programming for a total of 883 volunteer hours for the season.

All participants of activities are required to have a City cross-country ski permit as established by permit rules and pay the standard price for ski rental, if renting equipment from the City. If vending is conducted in the park, MadNorSki must purchase a vending permit.

MadNorSki will pay \$125 per ski race held that closes the course to the public. MadNorSki is responsible for communicating these dates to the Parks Division at the end of the winter season. If MadNorSki would like to conduct special events, MadNorSki will submit a Parks Special Event application for review using the standard process and all associated fees.

The shelter reservation and application fee for the November 2022 Elver Park Trail Run (5k run/walk event) will be waived, for a total of \$250 waived (one-time only).

<u>Special Lighting Charge.</u> Outside of the City's official opening and closing of the cross-country ski trails at Elver for the season, the costs of trail lighting will be the responsibility of MadNorSki, at a rate of \$10 per hour. MadNorSki must provide a schedule for lighting needs at the beginning of the season and must contact Parks within 48 working hours of the need to deviate from the schedule. MadNorSki will pay lighting invoices within 30 days of receipt.

8. Standard Fee, if No Fee Modification is Provided (Use, Permit and all other fees)

Open Field Space Reservation - \$15 per hour Cost of trail lighting - Standard Athletic Field Lighting Charge= \$50 per use

(typically 4 hour block)

In 2021-22, the club reports 46 days (Jan 1, 2022 – February 15, 2022) of participant use of the winter ski trails and approximately 145 hours of programming at Elver Park by the club. The programming is broken down as follows: approximately 72 hours for Juniors (MS & HS), 48 hours for Trail Kids (7-11 year olds), 8 hours for Ski Club (4-6 year olds), 4 hours for Adult Lessons, 8 hours for Trail Women Fall training sessions and 5 hours for racing. (145 hours X \$20 per hour (space and lighting) = \$2,900)

Shelter reservation (\$200), scheduling and application fee (\$250) for the November 2022 Elver Park Trail Run (5k run/walk event) for a total of \$450

Madnorski expects programming needs to be generally the same as 2022 for the 2023-25 seasons. Total Standard fee: \$2,900 + \$450= \$3,350

9. Is the Fee Modification More Than a 50% reduction?
