Re: Proposed Street Resurfacing Project & Public Hearing

The City of Madison is planning a 2026 project to resurface a portion of S Spooner Street (Southwest Path Bridge to Regent St). Enclosed with this letter is a fact sheet with some details on the proposed project. Also enclosed is a notification for the Public Hearing before the Board of Public Works. The date, time and location of the public hearing is on the notification.

This project will involve special assessments to the owners of property adjacent to the project. The property owners will be assessed for a portion of the improvements included with this proposed project. A Table detailing the City’s standard assessment policy for the items of work is included on the fact sheet.

Below is a preliminary Schedule of Assessments, which shows the estimated costs for your property adjacent to the project. The Schedule of Assessments for all properties adjacent to the project is available on the project webpage at:

<https://www.cityofmadison.com/engineering/projects/resurfacing-program>, a hard copy can be mailed to you upon request. The frontages of each property to be assessed are listed on the full schedule. After work is complete, a final assessment cost will be calculated based on bid prices and work actually performed. The final assessment cost, which will be billed after the completion of the project, is payable in one lump sum or over a period of 8 years, with the 4.5% interest charged on the unpaid balance.

To request accommodations for special needs or disabilities or if you have any other questions regarding this

project, please contact Shawn Beer, Project Manager, (608) 267-1970, sbeer@cityofmadison.com. This includes requests relating to the Public Hearing and operations of construction.

Sincerely,

James M. Wolfe, P.E., City Engineer

**Fact and Details Sheet:
 Spooner Street Resurfacing Project**

Project Details – Proposed Work

Street: The City will resurface the pavement from the Southwest Path to Regent St. All other concrete curb, driveway aprons and sidewalk will remain unchanged.

Speed humps will remain the same, with no changes proposed.

Driveway Aprons: No proposed work

Water Main: No proposed work

Storm Sewer: No proposed work

Sanitary Sewer: No proposed work

Bus Pads: No proposed work

Street Lights: Street lighting on existing MG&E wood poles will remain.

Assessments: The project will involve special assessments for some of the improvements. The assessments are a special charge for work being done that has direct benefit to the property. The preliminary assessments are mailed during the design phase and will give the property owner an estimated cost due after construction is complete. The final assessments bill will be mailed in 2027 to adjacent property owners. The bill is calculated based on measured quantities for pavement, and are based on 2026 street improvements rates and will carry over from the preliminary assessments to the final assessments. The 10 feet of pavement replacement is defined as 10 feet of street width adjacent to the property frontage length. The property payment options include payment by lump sum or over 8 years with 4.5% interest.

Trees: No proposed work

Construction Schedule & Impacts

Tentative Schedule: It is expected the project will take approximately 1-2 weeks to complete, summer 2026.

Traffic Impacts: 2 way traffic will be maintained. Flagging will be required.

Water Shut-offs: None

Refuse Collection & Mail Delivery: It will be the contractor’s responsibility to allow for refuse collection and mail delivery to continue during construction. Please mark your address on your cart to make sure it is returned if moved. We ask that you place your carts at the street the evening prior to or at the very latest 6:00 a.m. the morning of your scheduled refuse/recycling day.

Landscaping: No impacts

**FOR
PLANS, SPECIFICATIONS, AND SPECIAL ASSESSMENTS
FOR
PUBLIC WORKS IMPROVEMENTS
MADISON, WISCONSIN**

PART I

The Common Council of the City of Madison, Wisconsin, having heretofore decided that it is expedient and necessary that the improvements as listed in Part II hereof be improved at the expense of the property thereby on which would be conferred some special benefit.

NOW, THEREFORE, NOTICE IS HEREBY GIVEN:

That the City Engineer has prepared plans, specifications, a proposed schedule of assessments, and an estimate of the entire costs of the improvement for each of the districts listed in Part II hereof, and;

That the plans, specifications, a proposed schedule of assessments, and an estimate of the entire cost of the improvements listed hereto are available and open to inspection by all interested persons in the office of the City Engineer, Room 115, City-County Building, 210 Martin Luther King Jr. Blvd. and will so continue to be for ten (10) working days from the first published date of this notice, (please email Board of Public Works, boardofpublicworks@cityofmadison.com) and;

That on **WEDNESDAY, JUNE 10, 2026 AT 5:30 P.M.**, the Board of Public Works will be held remotely and the public can attend using a laptop or call in by phone. If you would like instruction on how to participate, please email boardofpublicworks@cityofmadison.com. The Board will consider any objections that may be filed in writing or in person and hear all persons desiring to be heard, and;

That special assessments may be paid over an eight (8) year period, with the owner paying 1/8 of the principal each year plus four-point-five (4.5%) percent interest on the unpaid balance, as determined by the Board of Public Works.

That if the total assessment is paid in full before October 31st in the year that the billing is made, irrespective of project completion, then no interest shall be charged.

If you require an interpreter, materials in alternate formats, or other accommodations to access this public hearing, please contact the Engineering Division at phone (608) 266-4751 or email us at engineering@cityofmadison.com. Please make contact at least 72 hours prior to the date of this public hearing so that we can make proper accommodations.
