

Madison Children's Museum Design to Move: Stair Trek Project

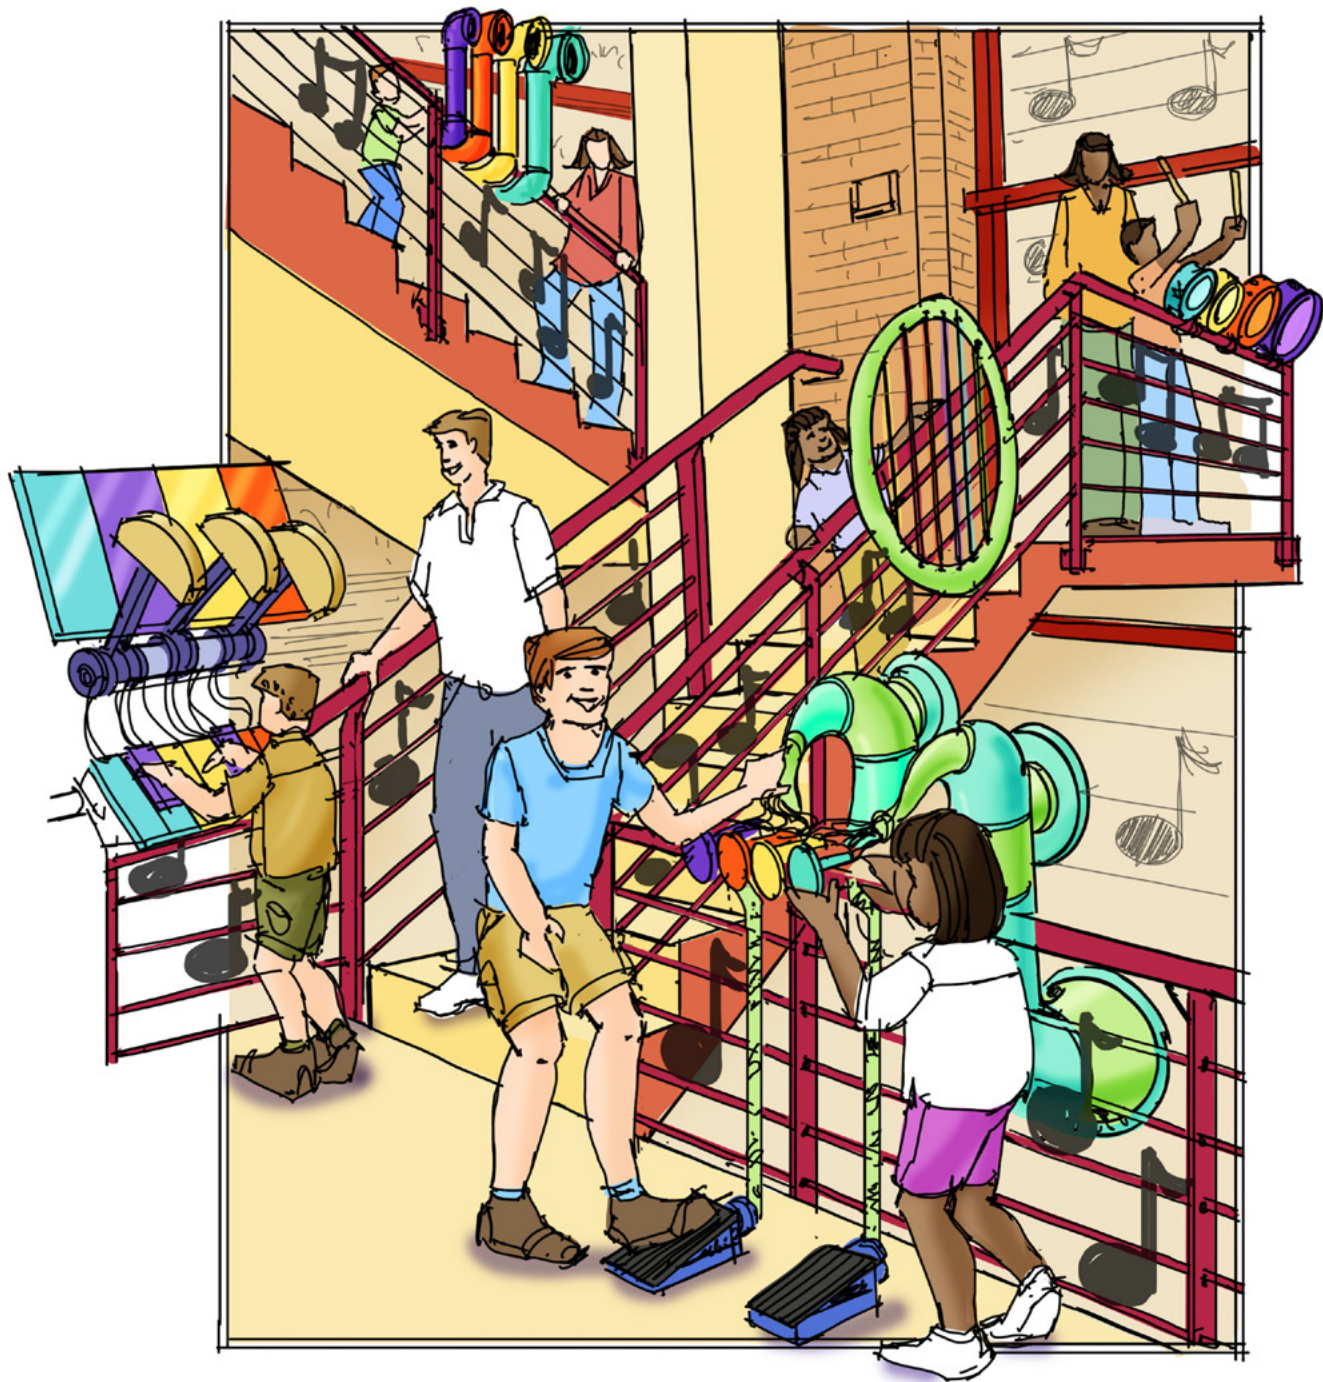

Examples of possible design solutions for three of the six community/artist designed staircases. All staircases will be collaboratively designed by artists who will be hired in September, along with community members in each location. Final staircase play spaces will all be unique and may be different than what is depicted here.

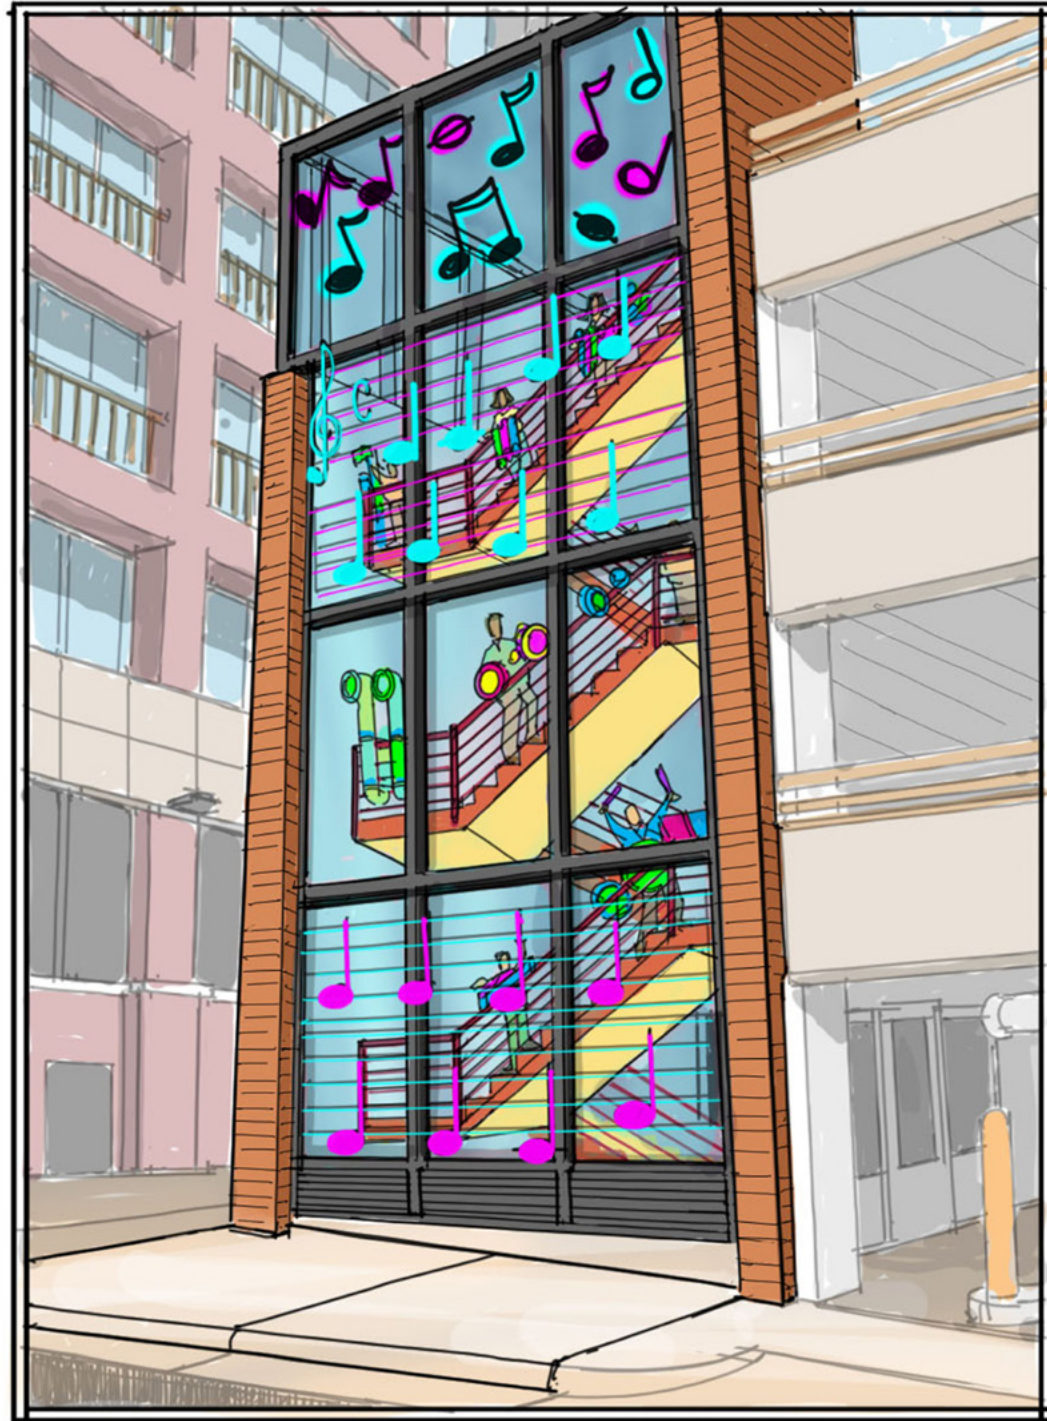

Stair Trek: Pocket Park (Bayview)

Stair Trek: Storytime (YMCA)

Stair Trek: Music Machine (City Parking Garage)

Stair Trek: Music Machine (City Parking Garage)
