Yes since you attended the MNA P&D meeting and shared info, I am willing to waive 30 day notice.

Subject: Land Use Application Notice

Good Afternoon,

I would like to formally notice Alder Rummel and the Marquette Neighborhood association of my intent to submit a Land Use Application for the development of a single family owner-occupied home on the vacant half of the 306 S Baldwin lot. My initial plans were widely accepted with great positivity at the March 13th neighborhood meeting. As today is April 4th, 30-days' notice would not allow me to submit my application by the May 2nd deadline. Alder Rummel, would you please grant a waiver to submit my application on the May 2nd deadline (29 days), so I can begin moving forward with this process. Thank you all very much for your time.

Regards,

Nick Rhode
