Subject: Support for 25 N. Prospect design

Amy,

My husband, Eugene Kim, and I want to formally declare that we are very supportive of John and Erica's design for 25 N. Prospect. We reside at 2030 Chadbourne and feel that their design will be an exciting and attractive addition to the neighborhood.

We hope that they receive full support and approval from the Landmarks Commission.

If you need anything else, please feel free to contact me.

Regards,
Margaret Alferi
