Subject: Arbor Hills-Leopold Neighborhood Plan

Dear Members of the Plan Commission,

I request that 'Lions Club' on pages 78 and 98 of the Arbor Hills-Leopold Neighborhood Plan be changed to 'Fitchburg Lions Club.'

I am treasurer and past president of the Fitchburg Lions Club. We have assisted with programs at Leopold Elementary School, Joining Forces for Families, Personal Essentials Pantry, and elsewhere within the planning area for several years. We look forward to approval of the neighborhood plan and its implementation. We are a committed partner for the neighborhood plan and the future we will create together.

Thank you,

Roger Laurel Tesch
