RE: Sign Application

Dear Mr. Tucker

Enclosed you will find a sign application for the advertising sign located at 1022 N Sherman Ave. We are requesting to make to following changes to the structure in its current location:

- Add second static face
- Raise to 42'

Since this is an existing sign and we are not requesting an initial sign permit the ordinance is unclear as to the permit cost (if any) to modify an existing structure. Please advise as to the permit costs associated with the above mentioned modifications. We will send payment promptly.

Sincerely,

Ryon Savasta
