RE: Legistar #60665; Accela ID: 'LNDUSE-2020-00060' – Approval of a conditional use to construct an accessory building containing an accessory dwelling unit (ADU) in the Suburban Residential – Consistent 1 (SR-C1) Zoning District at 1127 Merrill Springs Road.

Dear Ms. Destree;

At its July 13, 2020 meeting, the Plan Commission, meeting in regular session, found the standards met and approved your conditional use request to construct an accessory building containing an accessory dwelling unit (ADU) in the SR-C1 Zoning District at 1127 Merrill Springs Road. In order to receive final approval of the conditional use, and for any permits to be issued for your project, the following conditions shall be met:

Please contact Tim Troester of the Engineering Division at (608) 267-1995 if you have any questions regarding the following three (3) items:

1. Applicant shall either provide a separate sanitary sewer lateral for the accessory dwelling building or connect to the lateral already serving the existing building. Applicant shall provide a plan for how the accessory dwelling will be provided sanitary sewer service. If the accessory dwelling will connect the existing home's lateral, a note will need to be added to the plan.
2. Applicant shall provide a site plan showing how drainage from the new imperious area will be directed to the edge of the lot line so that it does not negatively affect downstream property owners structures.
3. Obtain a permit to Excavate in the Right-of-Way for completing the improvements in the public Right-of-Way. The permit application is available on the City Engineering Division website at <http://www.cityofmadison.com/engineering/Permits.cfm>.

Please contact Jeff Quamme of the Engineering Division – Mapping Section at (608) 266-4097 if you have any questions regarding the following two (2) items:

4. The site plans shall show, dimension and label the existing Public Sanitary Sewer Easement per 975455

over the southeast 5 feet of this Lot.

5. The address of the ADU is 1129 Merrill Springs Rd. The site plan shall reflect a proper street address of the property as reflected by official City of Madison Assessor's and Engineering Division records.

Please contact Sean Malloy of the Traffic Engineering Division at (608) 266-5987 if you have any questions regarding the following item:

6. Items in the Right-of-Way are not approvable though site plan approval, work with City Real Estate to start the 'Privilege in Streets' process to obtain an Encroachment Agreement for items in the Right-of-Way (bicycle racks, planters, etc.) or work with Traffic Engineering to alter the path to the front door so that it does not encroach on the Right of Way.

Please contact Jenny Kirchgatter, the Assistant Zoning Administrator, at (608) 266-4429 if you have any questions regarding the following item:

7. The Accessory Dwelling Unit shall comply with the supplemental regulations Section 28.151. Prior to issuance of a building permit for the Accessory Dwelling Unit, the property owner shall execute a restrictive covenant providing that the Accessory Dwelling Unit may only be used when the property is owner-occupied. The form of the restrictive covenant shall be approved by the Zoning Administrator and City Attorney's Office and shall be recorded with the Dane County Register of Deeds.

Please contact Bill Sullivan of the Fire Department at (608) 261-9658 if you have any questions regarding the following item:

8. Madison Fire Department recommends the installation of a residential fire sprinkler system in accordance with NFPA 13D.

Please contact Sarah Lerner of the Parks Division at (608) 261-4281 if you have any questions regarding the following item:

9. Park Impact Fees (comprised of the Park Infrastructure Impact Fee, per MGO Sec. 20.08(2)), and Park-Land Impact Fees, per MGO Sec. 16.23(8)(f) and 20.08(2) will be required for all new residential development associated with this project. This development is within the West Park-Infrastructure Impact Fee district. Please reference ID# 20020 when contacting Parks about this project.

Please contact Brad Hofmann of City Forestry at (608) 266-4816 if you have any questions regarding the following three (3) items:

10. An existing inventory of street trees located within the right of way shall be included on the landscape, site, demo, and utility plans. The inventory shall include the following: location, size (diameter at 4 1/2 feet), and species of existing street trees. The inventory should also note if a street tree is proposed to be removed and the reason for removal.

11. On this project, street tree protection zone fencing is required. The fencing shall be erected before the demolition, grading or construction begins. The fence shall include the entire width of terrace and, extend at least 5 feet on both sides of the outside edge of the tree trunk. Do not remove the fencing to allow for deliveries or equipment access through the tree protection zone. Add as a note on the plan set.
12. As defined by the Section 107.13 of City of Madison Standard Specifications for Public Works Construction: No excavation is permitted within 5 feet of the trunk of the street tree or when cutting roots over 3 inches in diameter. If excavation is necessary, the Contractor shall contact Madison City Forestry (266-4816) prior to excavation. City of Madison Forestry personnel shall assess the impact to the tree and to its root system prior to work commencing. Tree protection specifications can be found on the following website: <https://www.cityofmadison.com/business/pw/specs.cfm> Add as a note on the plan set.

Please contact Jeff Belshaw of the Water Utility at (608) 266-9121 if you have any questions regarding the following three (3) items:

13. Revise site plan to indicate how the Accessory Dwelling Unit will be provided with a water service.
14. If a connection to the public water main is proposed, a Water Service Application Form and fees must be submitted before connecting to the existing water system. Provide at least two working days notice between the application submittal and the requested installation or inspection appointment. Application materials are available on the Water Utility's Plumbers & Contractors website (<http://www.cityofmadison.com/water/plumbers-contractors>), otherwise they may be obtained from the Water Utility Main Office at 119 E Olin Ave. A licensed plumber signature is required on all water service applications. For new or replacement services, the property owner or authorized agent is also required to sign the application. A Water Meter Application Form will subsequently be required to size & obtain a water meter establish a Water Utility customer account and/or establish a Water Utility fire service account. If you have questions regarding water service applications, please contact Madison Water Utility at (608) 266-4646.
15. If a connection to the private water service is proposed, a Water Meter Application Form and fees must be submitted before connecting to the existing water lateral. Provide at least two working days notice between the application submittal and the scheduled lateral connection/extension. Application materials are available on the Water Utility's Plumbers & Contractors website (<http://www.cityofmadison.com/water/plumbers-contractors>), otherwise they may be obtained from the Water Utility Main Office at 119 E Olin Ave. A licensed plumber signature is required on all water service applications. For new or replacement services, the property owner or authorized agent is also required to sign the application. If you have questions regarding water service applications, please contact Madison Water Utility at (608) 266-4646.

Specific questions regarding the comments or conditions contained in this letter should be directed to the commenting agency.

Please now follow the procedures listed below for obtaining your conditional use:

1. After the plans have been revised per the above conditions, please resubmit a PDF copy of the complete, fully dimensioned, and to-scale plans, the appropriate site plan review application and fee pursuant to Section 28.206 of the Zoning Code, and any other documentation requested herein with the Zoning Administrator (zoning@cityofmadison.com). Note that the 20MB email limit still applies. Please mail the check, made out to "City Treasurer", for the site plan review fee to the following address: City of Madison Building Inspection P.O. Box 2984 Madison, WI 53701-2984. Include a cover page with the check, which includes the project address, brief description of the project, and contact information.
2. This property is not located within a wellhead protection district. All wells located on this property shall be abandoned if no valid well operation permit has been obtained from the Madison Water Utility.
3. This letter shall be signed by the applicant to acknowledge the conditions of approval and returned to the Zoning Administrator when requesting conditional use approval.
4. A conditional use approval is valid for two (2) years from the date of the Plan Commission approval. During this time, the applicant must either lawfully commence the use or obtain a building permit and begin erecting the building. If the applicant obtains a valid building permit, construction must commence within six (6) months of the date of issuance. The building permit shall not be renewed unless construction has commenced as is being diligently prosecuted. Where the plans have not been altered from the Plan Commission's approval, and the conditional use has expired, the Director of Planning and Community and Economic Development may, after consultation with the Alderperson of the District, approve an extension for up to twelve (12) months from the expiration date.
5. Any alteration in plans for a proposed alternative use shall require Plan Commission approval, except for minor alterations. The Zoning Administrator may issue permits for minor alterations or additions which are approved by the Director of Planning and Community and Economic Development and are compatible with the concept approved by the City Plan Commission and the conditional use approval standards.
6. The Plan Commission retains continuing jurisdiction over all conditional uses for the purpose of resolving complaints against all previously approved conditional uses.

If you have any questions regarding obtaining your conditional use or building permits, please contact the Zoning Administrator at (608) 266-4551. If you have any questions or if I may be of any further assistance, please do not hesitate to contact my office at sprusak@cityofmadison.com.

Sincerely,

Sydney Prusak
Planner

I hereby acknowledge that I understand and will comply with the above conditions of approval for the conditional use permit.
