Subject: Re: Email for Committee on Aging

Thank you Sally for following up with me in email.

Due to schedule conflict I may not be able to attend but definitely would really like my comments to be considered in the meeting. If you can please pass it along, I greatly appreciate. One thing I'd request is to please keep this confidential as I do fear of retaliation from Anesis. Thank you.

Here are my comments:

I was recruited by Maizong and Peng to work for Hmoob Kaj Siab, because I knew them for a long time, that's how I learned about the position. When I was hired back in February, it was my understanding that this Hmong Case Manager position was hired as a **joint partnership between Anesis and Hmong Institute**, to work for and serve all of our minority clients who needs mental health services, specifically Hmong, Lao and Cambodian. Because I can speak and write Hmong/Lao and can understand and have great love for our needy suffering elders, I wanted to work for Hmoob Kaj Siab so that I can help my elders live a more meaningful live. It was never an intention to serve only the CCS clients but to serve a broader population in the community. Working so closely and having a great deal of cultural understanding of how my fellow elders ingrained, they cannot be fully served and be satisfied under strictly the CCS model. The CCS model does not provide them the same close interactions and bonding that they dearly value to their heart as the Hmoob Kaj Siab model does. It just doesn't meet their needs.

I am paid by Anesis, because it is what was agreed upon between Hmong Institute and Anesis that they are partnered. If it weren't for Hmoob Kaj Siab I would have not been able to serve all of my elders clients. Serving strictly only the CCS pool of clients is contrary to the Hmoob Kaj Siab's model because that would leave behind many of our community's most needy people who desperately needs mental health services.

For as long as I have worked for Hmoob Kaj Siab which is run by Hmong Institute, they have paid for all the expenses for the elders such as the van and the gas for transporting the clients back and forth, the insurance coverage for the van, rent of the facility and spaces, office supplies, printers, laptops, materials used for our elder's group activities, field trip costs and food for the meals for all of our clients. All of these expenses Anesis doesn't cover any except they only provide the clinical supervision. I am one of the main driver who picks up and drops of our clients every day. Therefore, I am the one to fill up the gas tank for the van or take the van for maintenance such as oil change or any car problems. I first pay with my own credit card and keeps the receipt to give to Peng where he then reimbursement me with a check after the fact.

Peng from Hmong Institute also runs our staff weekly meetings. Hmong Institute plans the monthly calendar and programs with us staffs. I'd go to Myra for issues with my payroll/timesheet hours and such but I go to Peng and MaiZong for the logistics of the programs for the elders and any expense

spending. In the end here, I hope for the sake of our frail elders, please consider keeping Hmoob Kaj Siab alive and going so they have a place to come to smile and breath.

Jer,

Thank you for your call today. You indicated that you have some comments or concerns you would like to share with the Committee on Aging and City staff.

As I explained, there is a public meeting of the Committee on Aging today at the Madison Senior Center, 330 W Mifflin Street at 2:30 p.m.

If you can be here to present your comments in person, that would be best. If not, feel free to put your concerns/comments in an email to me. I will then distribute that email at the public meeting.

Kind Regards,
