Hi Derek –

Please bring the claim to Document Services for processing. After a search in Legistar, we also did not see that it had been entered. Thanks.

Subject: Missing Tax Claim
Importance: High

Maribeth,

I am currently working on Jaime's reports for the claims of excessive tax assessments to submit for the March 3rd meeting, and I am having difficulty matching one with its Legistar file. This is a claim made by Wal-Mart Real Estate Business Trust for tax parcel number 081033404071 at 4198 Nakoosa Trail. The claim is stamped as having been received on January 27th, but unlike the others I have there is no City master form with it. The searches I've done pull up last year's claim only. Could you please check to see if this claim was entered or not? Thank you.
