

Letter of intent for address 2418 S. Stoughton rd Badger city Auto Sales & Service

We will be making no alterations to this building or the site. The existing building will be used for car sales and repairs. I would like to start car sales asap and would like to start doing repairs as early as May 1. I would also like to do class 4 salvage out of the building as well. Class 4 is the least invasive and no cars related to salvage would be left outside. All salvage cars would be despoed of immediatly. I will update the outter apperance of the building new paint and windows and whatever other meterials may be needed. I will have lifts inside the building along with tools for all repairs. No alterations to the building will be made. Hours of operations will be 8:30 am-6:30 pm. I will have anywhere form 4-7 employees. the building is about 9000 square feet. Thank you for your time and consideration.
