Subject: APEX at Merry Street UDC Meeting

Al,

It is likely that I will not be able to attend the UDC meeting tonight regarding the APEX Enterprises redevelopment project at Merry and Winnebago on the Yahara River. I would like to briefly express my opposition to the project. It is wrong for many reasons not the least of which is (1) the humongous size of the project for the near east side neighborhood and (2) from an environmental perspective for its proximity to the Yahara River watershed.

If you could share these concerns with the representatives on the UDC, it would be greatly appreciated.

Thanks very much,

DAVE
