### NOTES

- 1. This Plat is subject to the following recorded instruments:
- A. Declaration of Conditions and Covenants recorded as Doc. Nos. 4229331, 4229332, 4879641, 5376979 and 5411904.
  B. Declaration of Conditions, Covenants and Restrictions recorded as Doc. Nos. 4281331, 4281332 and 5231817.
  C. Declaration of Conditions, Covenants and Restrictions recorded as 5230987; modified by Doc. Nos. 5231815, 5340612, 5341407; amended by Doc. No. 5341408.
- 2. All lots within this plat are subject to public easements for drainage purposes which shall be a minimum of 5 feet in width measured from the property line to the interior of each lot except that the easements shall be 12 feet in width on the perimeter of the plat. For purposes of two (2) or more lots combined for a single development site, or where two (2) or more lots have a shared driveway agreement, the public easement for drainage purposes shall be a minimum of five (5) feet in width and shall be measured only from the exterior property lines of the combined lots that create a single development site, or have a shared width along the perimeter of the plat. Easements shall not be required on property lines shared with greenways or public streets. No buildings, driveways, or retaining walls shall be placed in any easement for drainage purposes. Fences may be placed in the easement only if they do not impede the anticipated flow of water.
  - The intra-block drainage easements shall be graded with the construction of each principle structure in accordance with the approved storm water drainage plan on file with the City Engineer and the Zoning Administrator, as amended in accordance with the Madison General Ordinances.
  - Note: In the event of a City of Madison Plan Commission and/or Common Council approved redivision of a previously subdivided property, the underlying public easements for drainage purposes are released and replaced by those required and created by the current approved subdivision.
- 3. Lots/buildings within this subdivision are subject to impact fees that are due and payable at the time building permit(s) are issued.
