- ¹ **CDBG:** Governed by HUD regulations at 24 CFR 570; can be used to fund a range of eligible activities; is primarily geared to LMI benefit, blight removal, economic development, or emergency use. Restrictions : 15% max for "public services"; 20% max for administration/planning/fair housing activities. Program income (PI) from CDBG loan repayments is subject to the same restrictions, with further contractual terms designed to re-circulate these repayments back to original fund purposes (housing, economic development, acquisition/rehab).
- ² **HOME:** Governed by HUD regulations at 24 CFR 92; can be used to fund LMI housing activities, including homeowner, rental, and downpayment assistance. Restrictions: 15% min for CHDO (Community Housing Development Organization) activities; 10% max for administration. Program income (PI) from HOME loan repayments is subject to the same restrictions, with further contractual terms designed to re-circulate these repayments back to original fund purpose (housing).
- ³ **HOME Match:** These are City funds from repayments of old UDAG (Urban Development Action Grant) loans. HUD participating jurisdictions (PJs), such as Madison, are required to locally match 25 cents for every dollar of new HOME allocation funds received. Restrictions: Match, as well as program income (PI) from Match loan repayments, is generally subject to the same rules and regulations as HOME funds, but cannot be used for CHDO activities or administration purposes.
- ⁴ **Scattered Site:** These are City funds from repayments of old UDAG (Urban Development Action Grant) loans. Can be used to fund downpayment and acquisition assistance, and other projects that help acquire service-enriched housing in certain designated areas within Madison. Restrictions: Subject to locally-determined eligibility guidelines, as specifically outlined in current biennial *Program Funding Framework for Community and Neighborhood Development* .
