A photograph of a forest with a storm drain on the left and a handwritten label at the bottom. The forest floor is covered in fallen brown leaves. Several trees are visible, including a large evergreen on the left and several bare deciduous trees. The terrain appears to be sloping upwards from left to right. A storm drain is visible on the left side of the image, partially obscured by leaves and a rock. A handwritten label at the bottom center of the image reads: "6234 S. High lands, sloping terrain & storm drain on left".
