FOUNDATION REPORT

Conor Moran reported that Foundation staff are working on Ex-Libris being held November 8, which last year raised about \$78,000. They are halfway to sponsorship goal 2 weeks in. The annual State of the Foundation was last week with double last year's attendance. In June, Foundation staff attended the International Library Fundraising Conference in Washington D.C. Planning for Wisconsin Book Fest continues, the author reveal party will be in about a month.

FACILITIES REPORT

Mark Benno reported the MPL is down to one leased facility (Meadowridge) that is still in negotiation. Lakeview has the first closed circuit digital display that was installed in 2005, now all locations have integrated digital display that help broadcast real time info to the public. AV upgrades will make Central a hybrid allowable location once City IT approves. The new apartments near Pinney have just been sold but it is not whole sale of entire property and the original builder is still managing building that Pinney is in. Pinney is a condo, so the only change if rest of building sold would be common area maintenance. Sequoya is getting a lot of concrete work since it had suffered from some concrete heaving, quiet reading room and stairs to be replaced.

SOUTH CENTRAL LIBRARY SYSTEM REPORT

Salud García reported that SCLS is in a good spot financially but had some hits, lost a \$70,000 grant they usually get and also voted to increase fees on SCLS computers that libraries use. Delivery fees may also change. There is a library in the system that has bouncy house you can check out. The new SCLS director puts together reports from conversations with staff at member libraries that include different services being offered at those libraries.

DANE COUNTY LIBRARY SERVICE REPORT

No report given.
