Landmarks Commission,

I am in favor of the design Kris Warren proposes for the development of the Struck and Irwin property. I own the four parcels East of the Struck and Irwin property and am confident that the design Kris intends will work for my properties and for the neighborhood. The parking lot behind my properties will be affected by the new development and I prefer that the lot line be redrawn to match up with the buildings to the West. I am not able to attend tonight's meeting but can be reached by phone at: 608-445-1867.

Regards,

Holly Alexander
