City of Madison Licensing

RE: Change of Licensed Premises, The Atwood, 2116 Atwood Ave

To Whom it May Concern (Alcohol License Review Committee):

I would like to submit my request that you **deny the change of Licensed Premises for The Atwood.**

I am the property owner at 2015 Corscot Court and my back yard directly borders the parking lot adjacent to The Atwood bar.

I am totally shocked that there wasn't a notice provided to the neighbors of this bar and I had to find out about this action from another neighbor. I wasn't aware that patrons of The Atwood are not supposed to gather outside of the premises currently (which they do) and honestly, I have already called the police about noise levels without a patio space installed there. The Atwood does have chairs set outside that people gather around and this is frequently a problem, especially on weekends.

I strongly oppose any modification that would increase noise levels and disturbances at The Atwood bar.

Regards,

Emily Berendes
