PROGRAM C - 2 MAY 25, 2010

**CITY OF MADISON** 

ORGANIZATION:	Common Wealth Development
PROGRAM/LETTER:	C Affordable Rental Housing
PRIORITY STATEMENT:	CDBG: D. Housing - Rental housing (CDBG)

#### **DESCRIPTION OF SERVICES**

6. NEED FOR PROGRAM: Please identify local community need or gap in service that the proposed program will address.

The supply of affordable housing does not meet the demand. To be affordable, housing must cost no more than 30% of occupants' income. In Madison, fair market rent (FMR) for a 2 BR apartment is \$899/month. Assuming a 40-hour w ork w eek, a household requires 2.4 minimum w age (\$7.25/hr) earners to afford a 2 BR apartment at FMR. The estimated mean w age for a renter is \$12.65/hour. A renter must w ork 55 hrs/w eek in order to afford a 2 BR priced at FMR. Monthly WI SSI payments are \$674/month. To renters w ho depend on the program as their sole source of income, \$202 a month is an affordable monthly rent for a 1 BR apartment. How ever, the FMR of a 1 BR apartment is \$761/month (NLIHC). Dane County's low income residents cite affordable housing as a top priority, according to research by the CAC. In a 2007 survey, 75% of low-income respondents reported a need for housing assistance; only 53% of low-income respondents described their housing as affordable, decent, and safe.

/	7. SERVICE DESCRIPTION - Describe the service(s) provided including your expectations of the impact of your activities.
	CWD will acquire and rehabilitate 4 units of housing in 2011 and another 4 units of housing in 2012. CWD will create 2 units for households at or below 50% of Dane County Median Income and 6 units for households at or below 80%. When possible, CWD will incorporate accessibility and energy efficiency features and remove lead paint and asbestos. These units will expand the number of affordable housing rental units and improve the quality and diversity of the units available to low er income individuals throughout the community.

8. PROPOSED PROGRAM CONTRACT GOALS: Include clearly defined service goals and process objectives: number of unduplicated clients to be served, number of service hours to be provided etc.

CWD will expand the number of affordable housing rental units and improve the quality and diversity of the units available to low er income individuals throughout the community. CWD will provide affordable housing to 8 households. 2 households will serve those at or below 50% of Dane County Median Income. 6 households will serve those at or below 80% of Dane County Median Income. It is estimated that 12-24 individuals will be served by this project.

SERVICE HOURS: Frequency, duration of service and hours and days of service availability.

10. POPULATION SERVED: Please describe in terms of age, income level, LEP, literacy, cognitive or physical disabilities or challenges).

Common Wealth Development currently rents 99 apartments to a diverse group of residents. 33 units serve residents with disabilities, 27 units serve families, 20 units serve those holding Section 8 vouchers, 14% of the units serve people of color and 42% of the units serve households at or below 40% of Dane County Median Income. For this project, Common Wealth Development will provide 2 units at 50% of Dane County Median Income and 6 units at 80% of Dane County Median Income. We expect similar diversity in this development as we've seen in our current apartments.

11. LOCATION: Location of service and intended service area (Include census tract where service is tract specific).

CWD will research potential sites in the Madison area. CWD has not yet identified the location of the 8 units of housing but will monitor foreclosed properties as potential purchase opportunities.

12. OUTREACH PLAN: Describe your outreach and marketing strategies to engage your intended service population.

CWD has a successful outreach plan that enables us to maintain high occupancy rates. CWD affirmatively markets all rental properties. A notice of vacancies is sent to a list (from the Dept. of Civil Rights) of organizations and service providers representing and aiding minority and low-income populations and people with disabilities. The Equal Housing Opportunity logo is used with all advertising and the Fair Housing Poster is displayed in our offices. Records of advertising are kept for three years. The source of the applicant's know ledge of the vacancy is tracked in the application. Marketing techniques include: posting "for rent" signs, posting flyers at CWD office and Yahara River View Apartments, posting on CWD website and Craig's list, contacting people on the interest list and sending announcements to area organizations. CWD's Housing Manager fields all calls, emails and walk-in inquiries, schedules showings and follows up with potential residents.

13. COORDINATION: Describe how you coordinate your service delivery with other community groups or agencies.

Twice a year, CWD sends a mailing to over 180 agencies in Madison with information about CWD apartments. In addition, to market our apartments, CWD contacts agencies that serve low income individuals and families. CWD has a reputation as a good landlord and for that reason we get many referrals from agencies. CWD has long established relationships with agencies that have residents in our buildings. By working with casew orkers and residents together we can deal with issues that arise.

16. BARRIERS TO SERVICE: Are there populations that are experiencing barriers to the service you are proposing, i.e, cultural differences, language barriers and/or physical or mental impairments or disabilities? Describe the ability of proposed program to respond to the needs of diverse populations.

CWD offers affordable housing to low and moderate income households. If there is a language barrier, CWD will seek translation assistance. CWD currently works with numerous groups serving people with disabilities. CWD is very responsive to accomodating the special needs of these residents. We have made numerous accomodations to our apartments to make them more accessible to our residents with physical disabilities. At Yahara River View Apartments, we created raised bed gardens to provide gardening opportunites for people of all abilities. We also work with residents with other special needs and their casew orkers, when necessary. CWD not only provides housing, but has supportive staff to direct residents to resources, advocate on their behalf, and listen to their concerns. If tenants fall behind in rent, CWD works with them to access resources to assist them. CWD recognizes the importance of diversity and strives to include and retain people of all different backgrounds and abilities in all our housing developments.

17. EXPERIENCE: Please describe how your agency, and program staff experience, qualifications, and past performance will contribute to the success of the proposed program?

CWD has a successful 31-year track record of neighborhood revitalization with a history of acquiring and rehabilitating older properties and creating new housing development to provide affordable housing. Currently CWD owns and manages 99 units of rental housing. CWD's housing goals include creating affordable housing for people with limited incomes and preserving and improving older housing stock while preserving the community's socio-economic diversity. Paul Jasenski, Housing Project Manager, has worked at CWD for 22 years on acquisition, rehabilitation, construction management, financing, and management of CWD's housing projects. Paul has put together numerous affordable housing projects including the highly successful Falconer Cooperative and Yahara River View Apartments.
