---

Hi, Jim. Please forward on to ALRC members.

\_\_\_\_\_  
Commissioners,

I won't be able to attend your meeting this evening, but wanted to write in support of Item 33, a new license for the Dive Inn. The applicants presented their application to the Lake Edge Neighborhood Association last month and while a number of residents have expressed concern with the current establishment (Jo Beck's) they are cautiously optimistic for the proposal under new management.

Two items that were discussed at that meeting and that were agreeable to the applicant were to install a privacy fence along the back of the lot to provide separation with the neighbors and to limit the outdoor seating hours. Please consider these requests as you take up this item tonight.

Thank you for your service.
