Subject: FW: Parking rates

Hi, Anne. Just back from Chicago. I was traveling and I am just seeing this email tonight. Please share as appropriate.

Subject: Parking rates

Hi Ann,

Mary Paras has just informed me that parking rates for State St. will be increasing while the new ramp and parking a mile away at the new project will be much cheaper. I don't like this and I know other owners around State St. will not like it either. Please take this into consideration tonight.

Thank You,
Tom Christ
