Dear Amy,

I will try to make it to the Landmarks Commission meeting tomorrow but unsure if I will make it as I have another meeting. Could you please share this email with members of the commission:

I support the window replacement for 1724 Hoyt, including the windows visible from the street. Given that other windows were replaced in 2002, the proposed windows will match the ones installed in 2002, the care that the owners have given to this property and their need for energy efficient and functional windows, I believe their request is very reasonable.

Thank you for your service on the Landmarks Commission.

Best,

Shiva Bidar-Sielaff
District 5 Alder

The meeting is held in the City County Building 210 Martin Luther King Jr Blvd in Room GR-27. If you come in the entrance on the S Carroll Street side, the room is very easy to find.

Please contact me with any questions.

See you Monday.

Best,

Amy
