RE: 3955 Schewe Road
Eagle Trace Neighborhood: Rezoning Application

Dear Heather,

The following document and illustrative graphics outline the proposed plat for the Eagle Trace Neighborhood (Schewe Property). Veridian Homes formally requests to rezone the property from AG to TR-C3 in parallel with a separate preliminary plat submittal. This project is built out of the framework of the City's adopted Elderberry Neighborhood integrating numerous housing choices into a network of interconnected sidewalks, streets, and bicycle routes while striving to preserve the existing mature oak stands found in the site.

We look forward to working with the City on the review and implementation of this neighborhood.

Sincerely,

Brian Munson
Principal
