**\$50,000 and UNDER**  
This form will be sent to the Purchasing Supervisor for review.

**OVER \$50,000**  
Complete this form and draft a resolution using the sample resolutions provided by the City Attorney to your Budget Analyst. **Your resolution will not be added to the Finance Committee agenda without this form.**

**Check the box(es) for the exception criteria you feel are applicable:**

- 1. Public exigency (emergency) will not permit the delay incident to advertising or other competitive processes.
- 2. The services or goods required are available from only one person or firm (i.e., **true** sole source).
- 3. The services are for professional services to be provided by attorneys.
- 4. The services are to be rendered by a university, college, or other educational institution.
- 5. No acceptable bids have been received after formal advertising.
- 6. Service fees are established by law or professional code.

- 7. A particular consultant has provided services to the City on a similar or continuing project in the recent past, and it would be economical to the City on the basis of time and money to retain the same consultant.
- 8. Otherwise authorized by law, rule, resolution, or regulation. Explain:
- If procurement is being paid with Federal or State grant funds, the vendor was identified by name in the approved Grant Application. (OPTIONAL)

### REASON FOR REQUEST

#### WHY A COMPETITIVE SELECTION PROCESS CANNOT BE USED:

Provide **detailed** explanation below. For a true sole source, provide all information to explain why this product or service can only be purchased from this vendor. For one-of-a-kind items not sold through distributors, explain the unique performance features of the product requested that are not available from any other product. For services, detail the unique qualifications this vendor possesses, or other reason(s) that meet the criteria selected above. Identify specific, measurable factors and qualifications.

Madison Water Utility (MWU) selected Itron Inc. to provide our Advanced Metering Infrastructure (AMI) system through the RFP process in 2011. This is still the system in use. MWU is required to pay annual maintenance on the AMI system software and we need to purchase hardware parts for our system from Itron (endpoints, repeaters, collectors).

The estimated annual software expense is \$85,000 and the estimated annual hardware purchases are \$80,000.

### COMMENTS REGARDING PURCHASES OVER \$50,000

The City of Madison has paid Itron, Inc. \$1,012,683 since 2015, all of which were non-competitively selected purchases.
