

Project: State Street and Adjacent Streets Reconstruction Assessment District – 2007

Project Number: 53W0123

Approving temporary construction work with associated noise impacts between the hours of 7:00 P.M. and 7:00 A.M.

2008 phase of State St is on the 500 and 600 blocks of State St between Lake Street and Gilman Street.

The bid schedule is:

1st Ad: Oct 5, 2007

Receive & Open: Nov 2, 2007

Work is planned to begin March 31, 2008 and be completed Sep 12, 2008 with the exception of tree planting, banner, planter and bench installation.

Construction activities that are proposed between 7:00 PM to 7:00 AM:

1. Sawcutting of Concrete Pavement – Sawcuts need to be performed 12 hours after pour. The concrete needs to be hard enough for machinery and also sawcuts need to be performed before cracks form. The contractor shall avoid the hours of 10:00 PM to 6:00 AM as much as possible
2. Utility Lateral Construction – From 6:00 AM to 7:00 PM. One additional hour is proposed to the time constraint. This is to give contractor more time to work on utility laterals before most of the businesses open up, reducing inconvenience to the businesses and general public.
