- Lots 630-617 within this plot are subject to public easements for drainage purposes which shall be a minimum of 5 feet in width measured from the property line to the interior of each lot except that the easements shall be 12 feet in width on the perimeter of the plot. For purposes of two (2) or more lots combined for a single development site, or where two (2) or more lots have a shared driveway easement, the public easement or driveway shall be a minimum of five (5) feet in width and shall be measured only from the anterior property lines of the combined lots, not across a single development site, or have a shared width along the perimeter of the lots. Easements shall not be required on property lines shared with greenways or public streets. No buildings, driveways, or retaining walls shall be placed or erected for drainage purposes. Fences may be placed in the easement only if they do not impede the anticipated flow of water.

Note: In the event of a City of Madison Plan Commission and/or Common Council approved revision of a previously subdivided property, the underlying public easements for drainage purposes are released and replaced by those required and created by the current approved subdivision.
- The intra-block drainage easements shall be graded with the construction of each principal structure in accordance with the approved Stormwater Drainage Plan on file with the City Engineer and the Zoning Administrator, as amended in accordance with the Madison General Ordinances.
- The underlying public easements for drainage purposes within Lots 287, 288, 289, 290, 291, 294, 295, 296, 297, 298 and Outlot 17, Grandview Commons Lots 1 and 2, Certified Survey Map No. 110581 Lots 1 and 2, Certified Survey Map No. 12305 are hereby released by the City of Madison.
- Public Sidewalk, Public Sanitary Sewer, Public Water Main, Public Storm Sewer Easements

Creation of Easement Rights: A permanent easement over, across and within the Easement Area is established, memorialized, reserved by, created, conveyed, transferred and assigned to the City of Madison for the uses and purposes hereinafter set forth. The Easement Area may be used by the City of Madison for public sidewalk and bike path purposes. City of Madison and its employees, agents and contractors shall have the right to construct, install, maintain, operate, repair, replace and reconstruct the public sidewalk and bike path within the Easement Area. City of Madison shall have the further right of ingress and egress to and from the Easement Area in order to exercise its rights and privileges hereunder, and to cut and remove trees, vegetation and other impediments in the Easement Area which may obstruct or interfere with the actual or potential use of the Easement Area for the foregoing purposes.

Property Restoration: City of Madison shall repair any damage caused to any pavement, concrete or turf located within the Easement Area and/or the Property as a result of the use of the Easement Area by or on behalf of the City of Madison as provided herein. Following completion of any excavation work, City of Madison shall promptly restore the area affected by the work to the original grade and surface condition including the repair or replacement of pavement, concrete and turf.

Limitations on Use of Easement Area: The owner of the Property shall have the right to use the Easement Area for any purpose, provided such use shall not interfere with the easement rights of the City of Madison hereunder. No buildings or structures or other facilities unrelated to the public use shall be constructed in and no grade change shall be made to the Easement Area without the written consent of the City of Madison's Engineering Division City Engineer.

Binding Effect: This Easement shall run with the land described herein and shall be binding upon the owners of the Property, and their successors in interest.

Release of Rights to Easements Created by Plat: Any release of rights that were placed on platted land which was required by a public body or which names a public body or public utility as grantee shall be released by recording a separate easement release document with the Dane County Register of Deeds in accordance with ss236.293.

7. Public Utility Easements

Creation of Easement Rights: A permanent easement over, across and within the Easement Area is established, memorialized, reserved by, created, conveyed, transferred and assigned to the City of Madison, and all other public utility companies registered to do business in the City of Madison, for the uses and purposes hereinafter set forth. The Easement Area may be used by the City of Madison, and all other public utility companies registered to do business in the City of Madison, for the transmission of electrical, gas, telephone, cable, communication, video, and information services, together with the right of ingress and egress to and from the Easement Area for the purpose of access to and use of these facilities. The City of Madison, and all other public utility companies registered to do business in the City of Madison, and their employees, agents and contractors shall have the right to construct, install, maintain, operate, repair, replace and reconstruct the utility facilities located within the Easement Area. City of Madison, and all other public utility companies registered to do business in the City of Madison, shall have the further right of ingress and egress to and from the Easement Area in order to exercise its rights and privileges hereunder, and to cut and remove trees, vegetation and other impediments in the Easement Area which may obstruct or interfere with the actual or potential use of the Easement Area for the foregoing purposes.

8. Lots within this plot are subject to impact fees that are due and payable at the time of issuance of building permits.

9. Outlots 32 private open space.

10. Outlot 33 is private open space and a public storm sewer easement.

11. Distances, lengths and widths are measured to the nearest hundredth of a foot.
