Master Plan Process

“There are very few sidewalks on this end of Orchard Ridge. We desperately need safe places to walk for exercise.”

“I hope something is developed to encourage older adult/adult use with activities for adults and neighbors to meet, picnic and congregate. Outdoor exercise equipment, a shelter and activities to attend would all be very welcome!”

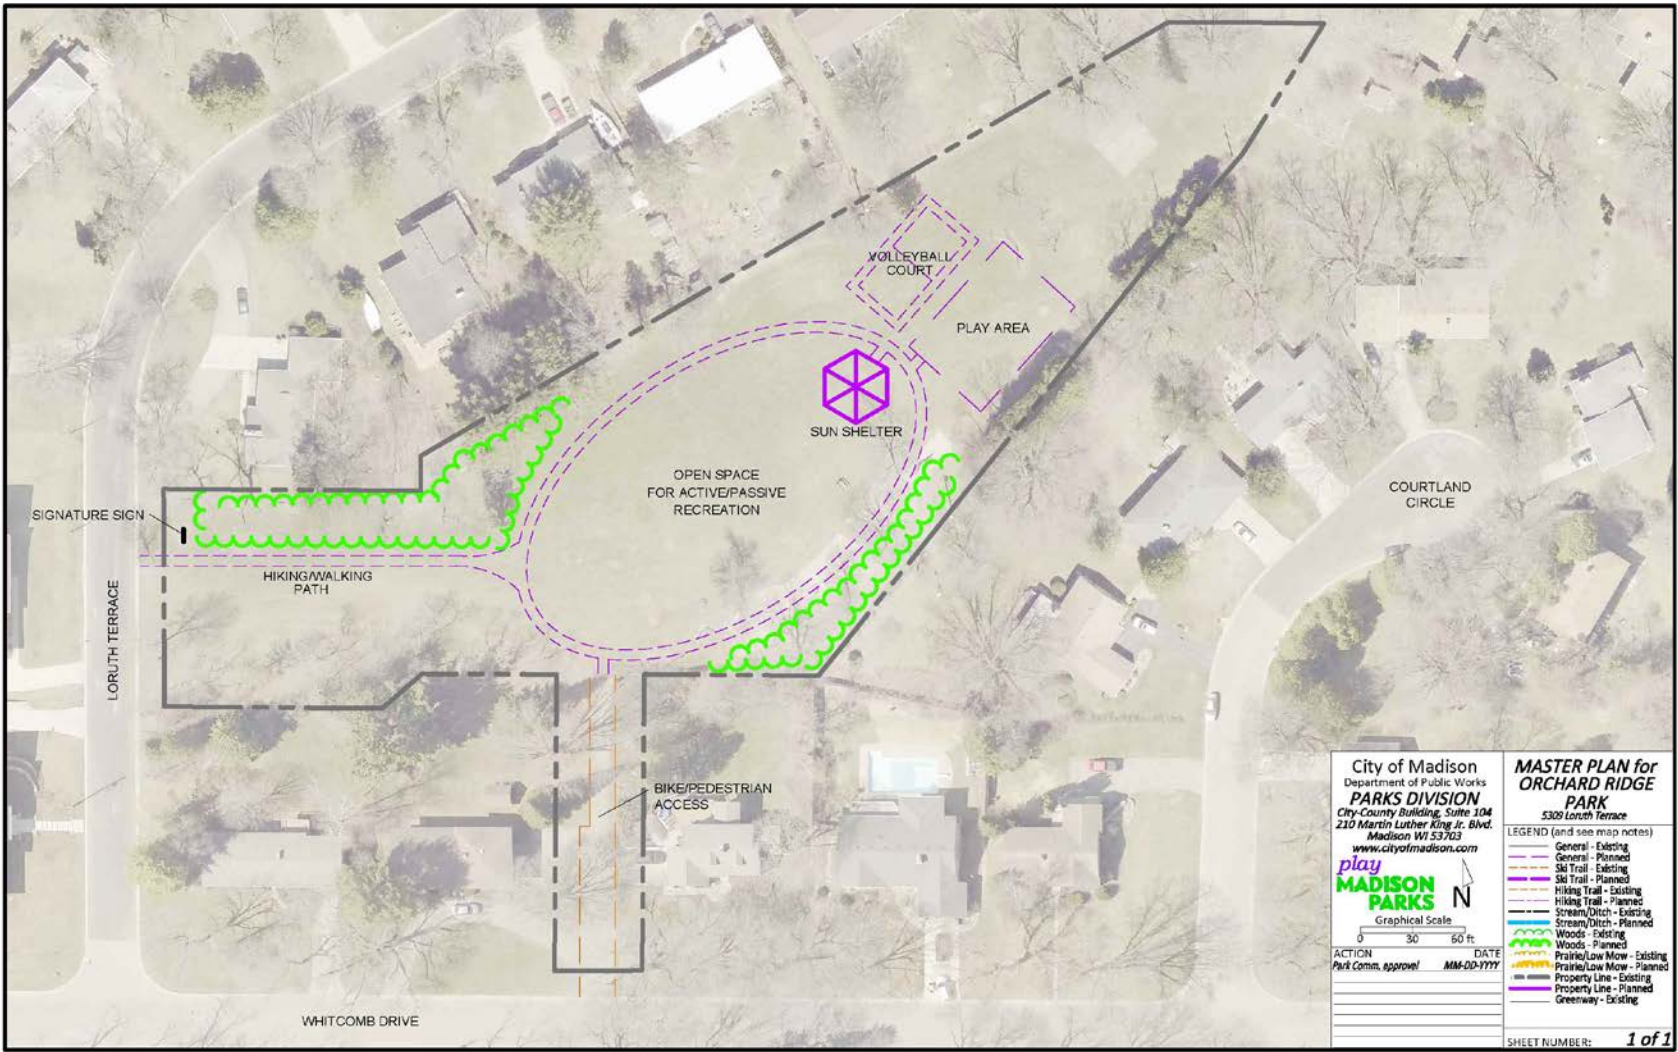

“Safe playground equipment for a variety of ages”

“I would really like to see a path going around the park, especially since we don't have any sidewalks it would be a great place to teach kids to ride a bike and roller skate.”

- Play equipment
- Sand volleyball
- Walking path
- Sun shelter

Orchard Ridge Master Plan

- Open space
- Play equipment
- Volleyball court
- Sun shelter
- Hiking/walking paths
- Tree planting
