I concur with the Alder Rummels comments. I do believe that the request for Player's on July 30th will not be actionable due to the event happening before Common council would be able to approve.

Subject: ALRC recommendations for Players and Jolly Bob's

I support both applications.

Players has had a license for outdoor service for the Atwood Summerfest for many years. The Goodman Center shared concerns with me about responsibility for clean-up since the outdoor garden is adjacent to the festival stage. It may be obvious but I would like to add a condition that Players will be responsible for maintenance and cleanup in their garden. I also support the request for the outdoor garden for the Golf Outing.

Jolly Bob's license snafu has given me the opportunity to have a neighborhood meeting on Aug 1. If after discussion with nearby residents and the applicant, there are any conditions to the license, particularly about noise from bass or patio hours, I will add them from the floor of the council on Aug 2. At this time, I support renewal of existing license and conditions.

Thanks-
Marsha
