5. Report by Madison Police Department representative Aileen Seymour regarding the operations of the Disabled Parking Enforcement Assistance Council, and policies for training and renewing membership on the council.

Three different council members submitted a total of six requests for citations,
and six citations were written this past month. Some were for access aisles
and some were for permits not displayed. There are several vacancies on the
council. Seymour reviewed members and identified twelve people that have
never submitted a request. There are more that have not been writing tickets
recently. Seymour was asked to write a letter to these people to see if they are
interested in continuing to serve on the council. Seymour has been working
on setting up training. Deb Foster will be doing the training. Tangney asked
that PD provide feedback to council members if their request cannot result in a
citation being issued.

6. Report from Madison Police Department representative Aileen Seymour regarding statutes pertaining to use of a vehicle with disabled plates when a couple who both have disabilities own the vehicle jointly

If two disabled people co-own a vehicle, two doctor's notes must be sent in for the vehicle to have a license plate. Hang tags are for an individual.

7. **Consider ways to acknowledge Duane Hinz's service to the city and contribution to the PCFPWD**

Tangney spoke with the Mayor's office and the Mayor sent a letter to Hinz. PCFPWD members signed a card at the meeting, and Kail will send it to Hinz.

Weber will help provide information to the PCFPWD. Jeff Fitzgerald and Scott Suter are the legislators who need to move this forward. Kail says she cannot accept this nomination. Weber motioned that PCFPWD have an official representative to the state legislature. No second. Motion fails.
