Entertainment License (21+)

The Come Back In has both acoustic and amplified music on a regular basis . We have had entertainment at the Come Back in on and off for the last 30 years but were unaware of the change in entertainment licensing criteria (no dance floor) requiring us to have an entertainment license so we are applying for an entertainment license (21+) now.

We employ an ID monitor (bouncer) who is stationed at the door. This employee wears a designated Come Back In uniform shirt and is easily identified as security. Ben, our current door monitor has been employed with us since 2009 and does an excellent job of preventing underage, intoxicated and unruly patrons from entering. Staff are also trained to notify management of any possible problems with customers.

There are between 4 and 6 employees on site during hours of operation who are responsible for full service food and bar management in addition to kitchen duties.

The on site manager, Kristina Pirius (owners daughter) has been in the hospitality (restaurant and bar) business for many years. As our past record shows, we run a clean business with little or no issues requiring police and fire intervention. However, staff are trained in what types of situations require a call to police, fire or other emergency services.

We own the parking lot which is monitored constantly by the Come Back In, Essen Haus and Hotel Ruby Marie staff.

Staff employed with management responsibilities are Robert Worm (dob 06/19/1948), Neale Hansen (dob 07/29/1962), Kristina Pirius (dob 04/18/1988), Doren Sterne (07/14/1972) and Kirk Roberts (09/20/1990). All staff are required to wear a Come Back In uniform shirt so as to be easily identified as employees.
