Amending various tables within Chapter 28 of the Madison General Ordinances to permit two-family twin and two-unit buildings in all districts where single-family dwellings are also allowed.

Body

DRAFTER'S ANALYSIS: This proposed zoning change amends several sections of the zoning code to allow two family twin and two-unit buildings/uses in all districts where single-family dwelling/use is allowed. It also removes different Accessory Dwelling Unit

standards in the TR-P district, so they are the same as other residential districts. Finally, this proposed change adds two-family twin as an allowed type of two-unit dwelling in the DR-1 and DR-2 districts.
