Donut Boy Visits MPD

On June 12 the Donut Boy, 10 year old Tyler Carach, was at the MPD training center with his mom to show his appreciation for all Police Officers and personally thank them for what they do. In less than 2 years he has delivered over 65,000 Dunkin Donuts to law enforcement agencies in over 30 states. He soon will be headed to Alaska.

According to his mom, MPD had the largest turnout of any Police Department so far. Our 41 recruits, Management Team, Mounted Unit, K9 and other officers participated in the 2 hour event.
