**NOTICE OF PUBLIC HEARING BEFORE THE BOARD OF PUBLIC WORKS  
FOR PLANS, SPECIFICATIONS, AND SPECIAL ASSESSMENTS FOR PUBLIC WORKS IMPROVEMENTS  
MADISON, WISCONSIN**

**DATE: WEDNESDAY, DECEMBER 14, 2016**

**TIME: 5:30 P.M.**

**LOCATION: 210 Martin Luther King Jr Blvd, City County Building (Room 108)**

The City of Madison will be making street improvements at the property listed above. The improvements will be assessed as noted above. The Total Assessment as shown details the **estimated** individual property owners' share of improvements. A complete set of proposed schedule of assessments for all affected properties are available at the City Engineering Operations Building, 1600 Emil St., between the hours of 7:30 a.m. and 4:00 p.m., Monday through Friday, and at <http://www.cityofmadison.com/engineering/projects/resurfacing-program>.

This is not a bill. You, the property owner, will be invoiced once the work is complete.

Special assessments may be paid over an eight (8) year period, with the owner paying 1/8 of the principal each year plus three (3.0%) percent interest on the unpaid balance.

The Board of Public Works will hold a public hearing at the time and place noted above and will consider any objections that may be filed in writing or in person and hear all persons desiring to be heard.

The total assessment, if paid in full before October 31st in the year the billing is made, irrespective of project completion, no interest shall be charged.

If you require an interpreter, materials in alternate formats, or other accommodations to access this public hearing, please contact the Engineering Division at phone (608) 266-4751 or TDD (608) 267-8677. Please make contact at least twenty- four (24) hours prior to the date of this public hearing so that we can make proper accommodations.

RESURFACING 2017 – ASSESSMENT DISTRICT

By Order of the Board of Public Works of the City of Madison, Wisconsin  
Robert F. Phillips, P.E.,  
Executive Secretary

PUB: WISCONSIN STATE JOURNAL: December 2, 2016

TO: Property Owners Adjacent to Street Resurfacing

December 2, 2016

The City of Madison is proposing to resurface approximately 4 miles of existing asphalt pavement in 2017.

You are being sent this letter to notify you of a public hearing before the Board of Public Works regarding the Street Resurfacing, at the time and location noted on the reverse side of this letter. City Engineering will make a short presentation at the meeting, followed by the public hearing. The project will involve special assessments to owners of property, with deficient curb & gutter, adjacent to the project. The estimated quantity and cost to the individual property owner is printed on the reverse side of this letter.

A complete list of the roadways proposed for street resurfacing in 2017 and proposed estimated assessments are available for review at the following link <http://www.cityofmadison.com/engineering/projects/resurfacing-program>.

The resurfacing program includes multiple phases: Replacement of deficient curb & gutter, drive apron and sidewalk; milling or pulverizing the existing pavement; placement of a new asphalt surface and some streets will also have storm sewer construction. Disturbed terrace areas will be restored with topsoil, seed and matting. Work is coordinated to minimize inconvenience to property owners and lessen time in between each phase.

The Resurfacing Program will start in April and run through November. The length of construction on your street will vary depending on the length of the street, the condition of the soil under the pavement (subbase) and the amount of curb and gutter being replaced. **At this time there is no schedule for the work on your street.** If you sign up for a My Madison.com account at <https://my.cityofmadison.com/> you will be notified when the Resurfacing website is updated.

Streets will remain open to traffic during construction. Residential driveway access will be maintained as often as possible. However, in some instances driveway access will need to be removed to facilitate construction of the curb & gutter, drive apron, sidewalk, pulverizing and paving. The contractor will provide notice to the property 48 hours prior to removing curb & gutter and eliminating access. Access will be maintained to commercial properties at all times.

The City assumes the entire cost of the improvements to the pavement, sidewalk ramps and in most cases the replacement of curb & gutter at intersections. Abutting property owners are assessed 50% of the cost to remove and replace curb & gutter, drive apron and sidewalk adjacent to their property.

After the project is bid, and work is complete, a final assessment will be calculated based on bid prices and work actually performed. The final assessment, which will be billed after the completion of the project, is payable as noted on the reverse side of this letter.

Steve Armstrong, of my staff, is the Inspector for this project. The Inspector's role is to ensure the City's standards for construction are met and to help resolve any problems arising during construction. Questions regarding the proposed improvements or your estimated assessment may be directed to Steve Armstrong at 266-4914. If you have questions during construction, you can reach him in the field at 520-2360. John Fahrney, Construction Engineer, is in charge of the Construction Inspection Program for the City. He may be reached at the Engineering Service Building at 266-9091.

Sincerely,

Robert F. Phillips, P.E., City Engineer
