

NEIGHBORHOOD CENTER STUDY UPDATE

CDBG MEETING

JUNE 7, 2012

- ❖ All data has been collected and is now being mapped and analyzed.
- ❖ Models from across the country have been reviewed.
- ❖ Workgroup will present two models for consideration by Mayor, Committees, Council.
- ❖ Recommendations will include models for allocation of current operating funds as well as criteria for selecting areas for new neighborhood centers if capital money is available.
- ❖ By mid-July staff will meet with Mayor to present draft report and recommendations. Draft report and recommendations will then be discussed with Center Directors. Report and recommendations will then come to a joint meeting of the CDBG committee and CSC committee with all alders and other committee members invited. Changes will be made and final report and recommendations will be submitted for Council approval with formal referral back to appropriate committees.
- ❖ Council will be provided a presentation prior to their 2013 budget discussions
