consider  
closing  
down  
roads to  
vehicle  
traffic so  
that  
people  
who rely  
on public  
transporta  
tion can  
safely bike  
when bike  
lanes or  
paths are  
not  
available  
in their  
neighborh  
oods.

With a  
reduction  
in bus  
service

make it possible for us to bike safely! Exercise is an essential health need allowed under the stay-at-home order, and for many of us, a bike is our only vehicle. Right now we can't safely use our beloved bike trails.

I'd love to l #####  
We have tc #####

a busy  
Madison  
Urgent  
Care.  
Biking for  
me is one  
salvation  
in this  
place  
resemblin  
g hell.  
The stress  
reduction  
alone! I  
would  
love to  
see  
people  
able to  
safely  
separate  
on now  
un/minim  
ally used  
roads.

great time  
for us to  
find  
balance in  
all forms  
of  
transporta  
tion  
including  
bicycles.  
Our  
autocentri  
c ways  
have  
created  
safety  
issues for  
many.  
More  
bicyclists  
means  
fewer  
carbon  
emissions  
and will  
lead to  
better
