Introduction:

The Cullen family would like to add a detached garage to their current residence at 1054 Jenifer Street in Madison. The site is zoned HIS-TL, TR-V1. The lot size is 4,356 sf, with 33' feet of frontage on Jenifer St.

Project Description:

We are proposing a 24'x22' garage in order to fit 2 vehicles comfortably – totaling 528 GSF. This will require a conditional use permit based on the SF of the garage being more than 10% of the lot size. The entrance to the garage is off of Ingersoll Street, approximately 116' from Jenifer Street. It is planned to utilize the existing driveway and curb cut, but widening it by approximately 8'.

Garage Design:

The design of the garage will be consistent with the neighborhood and current house design, which is a Victorian Style. Colors are intended to match the existing house. It will have a mix of vinyl siding and trim, with asphalt shingles.

Thank you for your time reviewing our proposal.

Sincerely,

Jeff Davis, AIA
