

Wisconsin Libraries Transform!

Libraries transform communities by providing

- Resources for work, school and personal growth
- Access to broadband technology and tech training
- Literacy and life-long learning events and classes
- Places to access and add to the world's knowledge

Wisconsinites use and value libraries as a

- Cost-effective source for books, digital resources and tech
- Place for independent learning and community gatherings
- Anchor for economic growth
- Primary contributor to community quality of life

Public Libraries Are Popular & Appreciated!

69% of Americans 16 or older report high to medium levels of engagement with public libraries. (www.aspeninstitute.org)

Public Library Systems Assist 383 WI Libraries

Benefits include

- Technology infrastructure and training
- Statewide inter-library loan delivery
- Online catalogs and digital resources
- Supplements to local libraries
- Continuing education opportunities

Public Libraries Promote Economic Growth

Some 23% of those who have paid a visit to a library in the past year did so to look for or apply for a job (www.pewinternet.org). Libraries provide workforce development and digital literacy job services.

- Computer access and assistance to apply for jobs online
- Classes and resources teaching computer and online skills
- Resume assistance
- Meeting space for interviews

Business Development

Libraries foster entrepreneurship

- Classes on starting and marketing a business
- Meeting space and study rooms
- Makerspaces
- Business resources
- Hi-speed Internet

Free Wi-Fi

8.3 million

the number of uses of public Internet computers and wireless access at Wisconsin public libraries in the past year. For most Wisconsin communities, the public library is the primary place for access to hi-speed Internet.

Libraries Surpass Game Day Crowds

In 2014, **625,114** people attended a Green Bay Packers home game; **2,232,638** people attended Wisconsin public library events.

Literacy, Education and K-12 Support

- Library activities promote school readiness by improving a child's vocabulary, self-regulation, and social, listening and comprehension skills.
- Youth Summer Reading Programs help to keep children learning over school breaks, preventing academic slide.
- Libraries are the cornerstone of early literacy family education in communities across the state.

Restore State Funding to Public Libraries

In 2012, public libraries received state funding cuts of over **\$2 million.**

WLA urges legislators to restore these devastating cuts in the upcoming biennium (2017) budget.
